For information on course planning, please contact our Undergraduate Advisor:

ecoug@buffalo.edu

(716) 645-8682

435 Fronczak Hall

Thank you for your interest in Economics!

## Note:

Each semester, after final grades have been posted, we strongly encourage students to review their ECO GPAs. If new to the program in fall 2019 (or after), Economics students must earn a 2.5 (or higher) GPA over all of their Economics courses in order to graduate. Regularly checking your Academic Advisement Report on your HUB Student Center will help you easily verify whether or not you are on track with fulfilling your graduation requirements.
