ARTICLE 7

Grievance Procedure

§7.1 Purpose

The purpose of this Article is to provide a prompt and efficient procedure for the investigation and resolution of grievances. The orderly process hereinafter set forth shall be the sole method for the resolution of grievances. Previously existing grievance resolution programs shall be discontinued absent mutual agreement to the contrary at the local level. Programs continued may be discontinued by either party at any time.

§7.2 Definition

a. A grievance is a dispute concerning the interpretation, application or claimed violation of a specific term or provision of this Agreement; provided, however, that with respect to matters involving appointment, evaluation and promotion of employees a grievance shall be deemed to mean a claimed failure by the State to follow the procedural steps relating to appointment, evaluation and promotion of employees contained in the Policies of the Board of Trustees in Article XI, Title A, Section 1; Article XI, Title D, Section 5; Article XII, Title A, Section 3; Article XII, Title B, Section 1; and Article XII, Title C, Sections 3 and 4. With regard to the latter, the specific procedural steps are as follows:

- i. the following subdivisions shall not apply where the employee is serving a final year in the University following notice of non-renewal.
- ii. each employee shall have his or her performance evaluated by the employee’s immediate supervisor formally, in writing, once each year during the term of appointment and as changing conditions warrant.
- iii. the written performance evaluation referred to in subdivision ii above shall be based on a performance program determined by the immediate supervisor after consultation with the employee, a copy of which shall be given to the employee.
- iv. in the written performance evaluation referred to in subdivision ii above, performance shall be characterized, in summary, as either satisfactory or unsatisfactory. A professional employee whose performance is characterized as “unsatisfactory” in a written report resulting from a formal evaluation may seek review of such report by the appropriate professional staff committee established for such purpose.

b. A grievance shall also be a claimed failure by the State to follow the procedural steps contained in the Memorandum of Understanding on Contracting Out; however, review of such grievances shall end at Step 3 and shall not proceed to arbitration.

c. A claim of unjust discipline shall be processed in accordance with Article 19, Discipline, of this Agree-

ment and shall not be subject to the grievance procedure contained in this Article. However, a claim that the procedures of Article 19, Discipline, have been violated, except for issues of timeliness arising under that Article, shall be processed in accordance with the grievance procedure contained in this Article. Such claim may be filed initially at Step 2. Where it is determined that the procedures of Article 19, Discipline, have been violated and where a College President, or designee, elects to proceed with disciplinary action, such action must be initiated within 10 working days from the date of receipt of the determination.

§7.3 Requirements for Filing Grievances

- a. A grievance must be submitted in writing on forms to be provided by the State.
- b. Each grievance shall identify the specific term or provision of the Agreement claimed to have been violated and shall contain a short, plain statement of the grievance, the facts surrounding it and the remedy sought.
- c. A grievance appeal shall be regarded as filed even if copies of the appeal are not simultaneously sent to the College President, or designee, and the Chancellor, or designee, as required by grievance Steps 2, 3 and 4 of this Article. However, no grievance shall be reviewed unless all of the information required by the grievance form or otherwise required by grievance steps of this Article has been provided.

§7.4 Representation

- a. UUP shall have the exclusive right to represent any employee, upon the employee's request, at any step of this grievance procedure; provided, however, that individual employees may, upon notice to UUP, initiate and represent themselves in processing their own individual grievances at Step 1; provided further, however, no resolution of an individually processed grievance shall be inconsistent with this Agreement and for this purpose UUP shall receive prior notice and a reasonable opportunity to be heard on the resolution of any grievance so processed at Step 1.
- b. UUP shall have the right, but not the obligation, to initiate at Step 2 a grievance which directly involves employees at more than one campus.
- c. UUP shall have the right, but not the obligation, to initiate at Step 1 a grievance which directly involves multiple employees at a single campus. The Step 1 Grievance form must identify by name all aggrieved employees and shall be submitted with the signature of the Statewide President of UUP as the signature of the aggrieved employee.

§7.5 Procedures for Processing Grievances and Grievance Appeals

- a. Step 1. A grievance shall be filed by an employee, or UUP upon an employee's request, with the College President, or designee, within 45 calendar days following the act or omission giving rise thereto, or within 45 calendar days of the date on which the employee first knew or reasonably should have known of such act or omission if that date is later. The employee's selection of a representative as indicated on the Contract Grievance Form when filed is final and not subject to change. Where practicable, the grievant may be required to meet with the department or division chairperson, dean or other appropriate administrator with a representative of the employee's choice in an effort to resolve the grievance informally. The College President, or designee, shall schedule a meeting within 10 calendar days after receipt of the grievance and shall issue a written response to the grievant and UUP within 10 working days after the meeting.
- b. Step 2.
 1. If the response at Step 1 does not resolve the grievance, UUP, upon grievant's request, may appeal the Step 1 response by filing an appeal with the Chancellor, or designee, within 10 working days after receipt of the Step 1 response. Such appeal shall be in writing and shall include a copy of the grievance filed at Step 1, a copy of the Step 1 response and a short, plain statement of the reasons for disagreement with the Step 1 response. A copy of the appeal shall be sent simultaneously to the College President, or designee. The Chancellor, or designee, shall issue a written response to the grievant and UUP within 20 working days after receipt of the appeal, unless the appeal to Step 2 contains a request for a meeting with

the Chancellor, or designee. If such meeting has been requested, the Chancellor, or designee, shall schedule a meeting with UUP and the grievant within 10 calendar days after receipt of the appeal. The Step 2 response shall be issued within 20 working days after the meeting.

2. A grievance involving a claim that the procedures of Article 19, Discipline, have been violated, except for issues of timeliness arising under that Article, may be filed initially at Step 2 by UUP, upon grievant's request. Such grievance shall meet the requirements specified in Section 7.3, Requirements for Filing Grievances, of this Article. Such grievances shall be filed within 45 calendar days following the act or omission giving rise thereto, or within 45 calendar days of the date on which the employee first knew or reasonably should have known of such act or omission if that date is later. A copy of the appeal shall be sent simultaneously to the College President, or designee. The Chancellor, or designee, shall schedule a review with UUP and the grievant within 10 calendar days after receipt of the grievance and shall issue a written response within 20 working days after the meeting.

3. A grievance involving employees at more than one College may be filed by UUP initially at Step 2. In such case, UUP shall be deemed to be the grievant. Such grievance shall meet the requirements specified in Section 7.3, Requirements for Filing Grievances, of this Article. The time limit for filing such grievance shall be as specified in Step 1. A copy of the appeal shall be sent simultaneously to the College President, or designee. The Chancellor, or designee, shall issue a written response to UUP within 20 working days after receipt of the grievance unless the grievance contains a request for a meeting with the Chancellor, or designee. If such meeting has been requested by UUP, the Chancellor, or designee, shall schedule a meeting with UUP within 10 calendar days after receipt of the grievance and shall issue a response within 20 working days after completion of the meeting.

c. Step 3. If the response at Step 2 does not resolve the grievance, UUP, upon grievant's request, through its President, or designee, may appeal the Step 2 response by filing an appeal with the Director of the Governor's Office of Employee Relations, or designee, within 10 working days after receipt of the Step 2 response. Such appeal shall be in writing and shall include a copy of the grievance filed at Step 1, or Step 2, in the case of grievances filed initially at Step 2; all prior responses and appeals; and a short, plain statement of the reasons for disagreement with the Step 2 response. A copy of the appeal shall be sent simultaneously to the College President, or designee, and the Chancellor, or designee. The Director of the Governor's Office of Employee Relations, or designee, shall issue a written response to the grievant and UUP within 20 working days after receipt of the Step 3 appeal.

d. Step 4.

1. If the response at Step 3 does not resolve the grievance, UUP, upon grievant's request, through its President, or designee, may proceed to arbitration by filing with the Director of the Governor's Office of Employee Relations, within 10 working days after receipt of the Step 3 response, written notice of intent to proceed to arbitration. A copy of such written notice shall be sent simultaneously to the College President, or designee, and the Chancellor, or designee.

2. Notices of intent to proceed to arbitration must include a proposed statement of the issue to be decided.

§7.6 Procedures Applicable to Grievance Steps

a. Step 1 shall be informal but the grievant, and the grievant's representative upon grievant's request, shall meet with the College President, or designee, for the purpose of discussing the grievance.

b. Steps 2 and 3 are intended primarily to be reviews of the existing grievance file; however, additional evidence may be submitted. If a meeting at Step 2 has not been requested or if a meeting at Step 3 has not been scheduled, any additional evidence at such steps must be submitted in writing. If meetings at Steps 2 and 3 have been scheduled, any additional evidence may be submitted at such meetings in writing or by means of testimony. Presence of grievants at such meetings may be waived by mutual agreement of the parties.

c. Notwithstanding any other provision of this Article, neither the grievant nor UUP, as grievant's repre-

sentative, shall be permitted to allege violations other than those specified in writing in the grievance filed at Step 1 or initially filed at Step 2.

d. A grievance may be withdrawn at any time by the grievant or UUP as grievant's representative.

§7.7 Procedures Applicable to Arbitration

a. Selection of Arbitrators

The State and UUP shall jointly agree as soon as feasible after the execution of this Agreement on a panel of at least ten (10) contract arbitrators. Each party shall rank the next five members of the panel in rotation and the member with the highest ranking shall serve as the arbitrator. In the event of a tie, selection shall be by lot. The State agrees to take the necessary steps to administer the panel including, but not limited to, identifying arbitrators' availability, notifying them of their appointment and assisting in arranging for hearing rooms.

b. Authority of the Arbitrator

1. The arbitrator shall neither add to, subtract from, nor modify the terms or provisions of this Agreement or the procedural steps of the Policies specified in Section 7.2, Definition, of this Article. The arbitrator shall confine the decision and award solely to the application and/or interpretation of this Agreement or whether such procedural steps of the Policies have been followed. Where provisions of this Agreement or the procedural steps of the Policies referred to in this paragraph call for the exercise of judgment, the arbitrator shall not substitute the arbitrator's judgment for that of the official making such judgment, but shall be confined to a determination as to whether this Agreement or such procedural steps of the Policies have been followed. If the arbitrator determines that this Agreement or the procedural steps of the Policies referred to in this paragraph have not been followed, the arbitrator may fashion an appropriate remedy. In matters involving appointment or reappointment, if the arbitrator determines that the failure to follow this Agreement or the procedural steps of the Policies referred to in this paragraph has been significant, the remedy may provide for an appointment not to exceed one year. The arbitrator shall not have the authority to grant a continuing or permanent appointment. Under Article XI of the Policies, continuing or permanent appointment may be granted only by the State University Chancellor. The arbitrator shall not have authority to consider issues arising from the Memorandum of Understanding on Contracting Out or otherwise interpret provisions contained therein.

2. The arbitrator shall be confined to the precise issue submitted for arbitration and shall have no authority to determine any other issue.

c. Arbitrability

In the event a disagreement exists regarding the arbitrability of an issue, the arbitrator shall determine initially whether the issue in dispute is arbitrable under the express terms of this Agreement. At the request of either party, such determination shall be made by a written decision and award. Once the arbitrator has determined that the issue is arbitrable in accordance with provisions of this subdivision, the arbitrator shall proceed to determine the merits of the issue.

d. Time and Place of Meeting

The arbitrator shall hold the hearing in Albany, unless otherwise agreed to by the parties, within 15 working days of the acceptance of the arbitrator's selection or as soon thereafter as is practicable. Two consecutive hearing days shall be scheduled, where practicable. The arbitrator shall issue a decision and award upon an issue within 30 calendar days of the hearing, unless additional time is agreed to by the parties. Copies of the arbitrator's decision and award shall be sent simultaneously to the Governor's Office of Employee Relations, UUP, the Chancellor's designee and the College President.

e. Effect of Decision and Award

The decision and award of the arbitrator shall be final and binding upon the State, UUP and the grievant to the extent permitted by provisions of this Agreement and applicable law.

f. Fees and Expenses

All fees and expenses of the arbitrator shall be divided equally between the parties. Each party shall be responsible for the cost of preparing and presenting its own case.

§7.8 Miscellaneous Provisions

a. Time Limits

All of the time limits contained in this Article may be extended by mutual agreement of the parties. Extensions shall be confirmed in writing by the party requesting the extension. Upon failure of the State or its representatives to provide a response within the time limits provided in this Article, UUP, upon grievant's request, may appeal to the next step. Upon failure of the grievant, or UUP as the grievant's representative, to file a grievance or grievance appeal within the time limits provided in this Article, the grievance shall be deemed to have been withdrawn.

b. Mailing

1. All grievances, grievance appeals and responses shall be transmitted by certified or registered mail, return receipt requested, or by personal service on the grievant or grievant's representative or on the individual responsible for conducting the review. Upon personal service the recipient of such documents, upon request, shall acknowledge, in writing, the receipt thereof. Proof of personal service shall specify the person who was served and the date, place and manner of service.

2. All time limits set forth in this Article shall be measured from the date of receipt. Where service is by registered or certified mail, the date of receipt shall be that date appearing on the return receipt, provided, however, that the time limits for the submission of a grievance or the filing of an appeal or demand for arbitration or issuance of a Step response shall be determined from the date of personal service or mailing by certified or registered mail, return receipt requested, as evidenced by the official postmark appearing on the receipt for certified or registered mail.

c. Precedent

Grievances resolved at either Steps 1, 2, or 3 shall not constitute a precedent in any arbitration proceeding unless agreed to in writing by the Director of the Governor's Office of Employee Relations and UUP, acting through its President.

d. Retroactivity

A settlement of, or an arbitrator's decision and award upon, a grievance may or may not be retroactive as the equities of each case may demand, but in no case shall such resolution be retroactive to a date earlier than 45 calendar days prior to the date the grievance was first filed.

e. "Working days" as used in this Article shall mean Monday through Friday, excluding holidays.

§7.9 Applicability

This Article shall not apply to any matter which relates to College by-laws, policies, operating procedures, or any other form of guideline by whatsoever name, whether pertaining to a unit, department, division, school or any other level of organization of a College and whether appearing in a College handbook or any other document, which are developed by professional staff at a College for the conduct of the affairs of the College or its sublevels of organization.

ARTICLE 8

Labor-Management Meetings

§8.1 The purpose of this Article shall be to provide a forum to discuss, consider and attempt to resolve, where appropriate and consistent with the terms of this Agreement, matters of interest to either or both parties identified below.

§8.2 Representatives of the Governor's Office of Employee Relations shall meet with UUP representatives at mutually agreed-upon times to discuss matters of interest raised by either party. If desired by the other party, the party requesting the meeting shall submit a written agenda in advance of the meeting.

§8.3 The Chancellor, or designee, shall meet with UUP representatives twice each semester for the

purpose of discussing matters of interest raised by either party, including those matters necessary to the implementation and administration of this Agreement which are University-wide in nature. A written agenda shall be submitted by UUP to the Chancellor no less than five days before the scheduled date of the meeting. At the discretion of the Chancellor, additional matters for discussion may be placed on the agenda. In addition, upon UUP's request, leaves of absence from their regular positions may be approved for employees who are performing responsibilities for UUP for up to the equivalent of four full-time positions. Only employees so designated shall be entitled to authorized employee organization leave as required above. UUP shall notify the Director of the Governor's Office of Employee Relations in writing of any additions or deletions of offices, committees or boards and/or employees assigned to those offices, committees or boards.

f. Failure to designate employees in advance for employee organization leave as provided in this Article may result in the forfeiture of employee organization leave for those employees for the desired purpose at the State's discretion.

g. UUP recognizes that use of all employee organization leave shall not unreasonably interfere with a campus's operations. The State recognizes that employee organization leave shall not be unreasonably withheld.

§13.2 Any bulletin board material objected to by the State or its representatives as being in violation of this Article shall be promptly removed. Such removal may be contested pursuant to the grievance procedure contained in Article 7 of this Agreement.

The State shall provide UUP, on a quarterly basis, with two lists of employees in the State University Professional Services Negotiating Unit which shall include employees' names, addresses of record, institutions, departments, line numbers, titles, professional ranks, salaries, appointment type, continuing/permanent appointment effective date, obligation code, term duration and retirement system participation. Where available, an employee's date of initial appointment and current type of appointment, e.g., term, permanent, continuing, temporary, will also be provided.

b. The State shall provide UUP, on a bi-annual basis, with a list which shall not personally identify employees in the State University Professional Services Negotiating Unit but which shall include sex, race, year of birth, institution, department and salary.

§16.2 The State shall include UUP on its mailing lists for distributions to all employees on a University-wide or College-wide basis. The College President, or designee, shall include UUP and its UUP Chapter on the mailing list for distributions to all employees on a College-wide basis and on the list for telephone book distribution. UUP shall include the State, the Chancellor, or designee, and the College Presidents on its mailing lists for distributions to employees. A UUP Chapter shall include the College President on its mailing list for distributions to all employees on a college-wide basis. Each party shall designate its address or addresses for these purposes.

§16.3 UUP shall provide the State, on a bi-annual basis, with a list of the names, College work locations, UUP titles and University titles of each of its statewide and chapter officers, Executive Board members, Delegate Assembly members, Standing Committee members and Chapter Grievance Chairpersons. As UUP Ad Hoc Committees are established, UUP shall also provide the State with the information described herein relative to Ad Hoc Committee members.

§16.4 a. b. Every pay period, the State shall provide UUP with the names of employees in the State University Professional Services Negotiating Unit who have commenced leaves of absence without pay or returned from such leaves.

ARTICLE 17

Information and Data

§17.1 The State shall make available to UUP, upon its reasonable request and within a reasonable time thereafter, such statistics and financial information related to the collective negotiating unit and in the possession of the State as are necessary for the preparation for collective negotiations and the processing of grievances. It is understood that this shall not be construed to require the State to compile information and statistics in any specific form unless mutually agreeable.

§17.2 Each employee shall be responsible for providing the College President, or a designee, with the employee's current home address and telephone number and for keeping such information current. Such information shall be maintained for official College use only.

ARTICLE 18

Board of Trustees' Meetings

§18.1 Chancellor, or designee, will furnish UUP with copies of all proposed changes in Policies affecting terms and conditions of employment prior to action thereon by the Board.

§18.2 The Chancellor, or designee, will furnish UUP with a copy of the tentative advance agenda of each meeting of the Board at the same time it is made available to the members of the Board. Additionally, following approval by the Board of Trustees of the minutes of its meetings, the Chancellor, or designee, will furnish UUP with a copy of those minutes the Board makes public.

§18.3 UUP may request to meet with the Chancellor, or designee, in order to discuss matters described in Section 18.1 which appear on the Board's agenda. Such discussion shall take place prior to the Board meeting. The Chancellor will recommend, where the Chancellor believes it to be appropriate, that the Board or its representatives meet with UUP for the purpose of discussing such issues. This shall not preclude UUP from directly requesting a meeting with the Board of Trustees or its appropriate committee.

§18.4 The Board of Trustees of the University shall have the right in its judgment to change its Policies from time to time hereafter, after consultation pursuant to this Article. Nothing contained in this Agreement or actions pursuant thereto shall be deemed a waiver by the State or UUP of their right to assert, at any time thereafter, that the subjects of the Policies may or may not be appropriate subjects of collective negotiations.

ARTICLE 19

Discipline

§19.1 Purpose

The purpose of this Article is to provide a prompt, equitable and efficient procedure for the imposition of discipline for just cause. Both parties to this Agreement recognize the importance of counseling and the principle of corrective discipline. Prior to initiating formal disciplinary action pursuant to this Article, the College President, or designee, is encouraged to resolve matters of discipline informally; provided, however, such informal action shall not be construed to be a part of the disciplinary procedure contained in this Article and shall not restrict the right of the College President, or designee, to consult with or otherwise counsel employees regarding their conduct or to initiate disciplinary action.

§19.2 Definitions

a. "Discipline" shall be defined as the imposition of a penalty by means of the procedure specified in Section 19.4.

b. "Days" shall mean working days, Monday through Friday, excluding holidays.

c. "Service" shall mean the act of delivering, in accordance with provisions of this Article, a notice of discipline. For purposes of determining time limits for the service of a notice of discipline, service shall be effective on the date of personal service or mailing by certified or registered mail, return receipt requested, as evidenced by the official postmark appearing on the receipt for certified or registered mail. For purposes of determining time limits for the filing of a disciplinary grievance, service shall be effective three days from the time of personal service or, in the event of mailing, which shall be by certified or registered mail, return receipt requested, three days from the date the employee or any other person accepting delivery has signed the return receipt or the date the notice is returned to the College President, or designee, undelivered.

d. "Party" shall mean the State and either the employee upon whom discipline is sought to be imposed

or the employee's representative selected pursuant to Section 19.8 of this Article.

§19.3 Applicability

Discipline shall be imposed upon employees only pursuant to this Article; provided, however, that provisions of this Article shall not apply to the termination of employees serving on temporary or probationary appointments, which may be terminated at any time in accordance with provisions of Article XI of the Policies, and provided further that provisions of this Article shall not apply to non-renewal of term appointments pursuant to Article XI of the Policies, terminations of employees due to mental or physical incapacity pursuant to Article XV of the Policies or terminations of employees pursuant to Article 35, Retrenchment, of this Agreement.

§19.4 Disciplinary Procedure

a. Discipline shall be imposed only for just cause. Where the College President, or designee, seeks to impose discipline, notice of such discipline shall be made in writing and served upon the employee in person or by registered or certified mail, return receipt requested, to the employee's address of record. The conduct for which discipline is being imposed and the penalty proposed shall be specified in the notice. The notice served on the employee shall contain a detailed description of the alleged acts and conduct including reference to dates, times and places.

b. The penalty proposed may not be implemented until the employee (1) fails to file a disciplinary grievance within 10 days of service of the notice of discipline, or (2) having filed a disciplinary grievance, fails to file a timely appeal to disciplinary arbitration, or (3) having appealed to disciplinary arbitration, until and to the extent that it is upheld by the disciplinary arbitrator, or (4) until the matter is settled.

c. The notice of discipline may be the subject of a disciplinary grievance which shall be filed with the Chancellor, or designee, in person or by registered or certified mail, return receipt requested, by the employee, or the employee's representative, on a disciplinary grievance form to be provided by the State, within 10 days of the date of service of notice of discipline. The employee's selection of a representative as indicated on the Disciplinary Grievance Form when filed is final and not subject to change. A copy of the notice of discipline must be attached to the disciplinary grievance form. A disciplinary grievance shall be regarded as filed even if it does not contain a copy of the Notice of Discipline, required by subdivision 19.4(c). However, such grievance shall not be reviewed unless all of the information required by the grievance form or otherwise required by grievance steps of Article 19 has been provided. The employee, or the employee's representative, shall be entitled to a meeting to present the employee's position to the Chancellor, or designee, within 10 days of the date of filing of the disciplinary grievance.

The purpose of the meeting shall be the possible adjustment of the matter and need not involve the presentation of evidence or specification of particulars by either party. The meeting provided for herein may be waived by the employee, in writing, on the grievance form, only in accordance with provisions of Section 19.7(b). If the meeting has not been waived but cannot be held within 10 working days of the date of filing of the disciplinary grievance by reason of the unavailability of the employee, or the employee's representative, or on such other date as may be mutually agreed upon, the Chancellor, or designee, may, at the option of the Chancellor, or designee, review the disciplinary grievance on the basis of the existing record. The Chancellor, or designee, shall provide the employee, or the employee's representative, with a response in writing by registered or certified mail, return receipt requested, or by personal service within twenty days of the meeting or review, or within five days of the meeting or review if the employee has been suspended without pay under Section 19.7 of this Article.

d. If the disciplinary grievance is not settled or otherwise resolved, it may be appealed to disciplinary arbitration by the employee, or the employee's representative, within 10 days of receipt of the response of the Chancellor, or designee. Notice of appeal to disciplinary arbitration shall be filed by registered or certified mail, return receipt requested, or by personal service upon the Director of the Governor's Office of Employee Relations, or designee. A copy of the appeal shall be sent simultaneously to the College Presi-

dent and the Chancellor's designee.

e. The State and UUP shall jointly agree, within 15 days of the execution of this Agreement, on a 25-member panel of disciplinary arbitrators. Each member of the panel shall be assigned a number in rotation. In the event of a disciplinary arbitration, each party shall rank the next five members of the panel in rotation and the member with the highest ranking shall serve as the arbitrator. In the event of a tie, selection shall be by lot. The State agrees to perform activities necessary to appropriate administration of the panel including, but not limited to, identifying arbitrators' availability, notifying them of their appointment and assisting in arranging for hearing rooms.

f. The disciplinary arbitrator shall hold a hearing within 10 days of appointment, or as soon thereafter as practical, or within such other period as may be mutually agreed upon by the parties, recognizing, however, that except in unusual circumstances a hearing should be concluded within 30 days of the appointment of the arbitrator. The disciplinary arbitrator shall render a decision within five days of the close of the hearing, or within five days after receipt of the transcript, if either party elects a transcript, or within such other time as may be mutually agreed upon by the parties.

g. Either party wishing a transcript of a disciplinary arbitration hearing may provide for one at its expense and shall provide a copy to the arbitrator and the other party; provided, however, the decision to make a transcript must be announced at the beginning of the hearing and the transcript must cover the entire hearing, not just a portion thereof. Delays in the preparation of a transcript shall not constitute a basis for delays in scheduling hearing dates.

h. The disciplinary arbitrator shall be confined to determinations of guilt or innocence, the appropriateness of proposed penalties, and shall have exclusive jurisdiction over issues of timeliness arising under the procedures of this Article including those arising pursuant to Section 19.9, but shall not consider alleged violations of other provisions of this Agreement, which shall be subject only to the provisions of Article 7, Grievance Procedure, of this Agreement. The disciplinary arbitrator shall neither add to, subtract from nor modify the provisions of this Agreement. The disciplinary arbitrator's decision with respect to guilt or innocence, penalty, timeliness or probable cause for suspension, or temporary reassignment, pursuant to Section 19.7 of this Article, shall be final and binding upon the parties, and the disciplinary arbitrator may approve, disapprove or take any other appropriate action warranted under the circumstances, including ordering reinstatement and back pay for all or part of the period of suspension, or return to the employee's assignment if temporarily reassigned. If the disciplinary arbitrator, upon review, finds probable cause for the suspension, the arbitrator may consider such suspension in determining the penalty to be imposed.

i. All fees and expenses of the arbitrator, if any, shall be divided equally between the State and UUP or the employee if not represented by UUP. Each party shall bear the cost of preparing and presenting its own case. The estimated arbitrator's fee and expenses and estimated expenses of the arbitration may be collected in advance of the hearing.

§19.5 Settlements

A disciplinary grievance may be settled at any time following the service of a notice of discipline. The terms of the settlement shall be reduced to writing on the disciplinary grievance form to be provided by the State. An employee offered such a settlement shall be offered a reasonable opportunity to have a representative present before the employee is required to execute it.

§19.6 Effect of Settlement and Arbitrator's Award

All settlements and arbitrators' awards shall be final and binding upon the State, UUP, the employee and the employee's representative if other than UUP.

§19.7 Suspension Before Notice of Discipline

a. Prior to issuing a notice of discipline or the completion of the disciplinary grievance procedure provided for in this Article, an employee may be suspended, without pay, by the appointing authority only

pursuant to paragraphs (1) or (2) of this Section. As an alternative to such suspension, the employee may be temporarily reassigned.

1. The appointing authority, or its designee, may suspend without pay or temporarily reassign an employee when the appointing authority, or its designee, determines that there is probable cause that such employee's continued presence on the job represents a potential danger to persons or property or would severely interfere with its operations. Such determination shall be reviewable by the disciplinary arbitrator. A notice of discipline shall be served no later than 10 days following any such suspension or temporary reassignment.

2. The appointing authority, or its designee, may suspend without pay or temporarily reassign an employee charged with the commission of a crime. Such employee shall notify the appointing authority in writing of the disposition of any criminal charge including a certified copy of such disposition within five days thereof. Within 30 calendar days following such suspension under this paragraph, or within five days from receipt by the appointing authority of notice of disposition of the charge from the employee, whichever occurs first, a notice of discipline shall be served on such employee or the employee shall be reinstated with back pay if suspended or returned to the employee's assignment if temporarily reassigned. Nothing in this paragraph shall limit the right of the appointing authority, or its designee, to take disciplinary action during the pendency of criminal proceedings.

3. Where the appointing authority, or its designee, elects to temporarily reassign an employee pursuant to this Article, the employee shall be notified in writing of the location, the effective date and nature of such temporary reassignment and that the employee may elect in writing to refuse such temporary reassignment and may be suspended without pay. The employee's election must be made in writing before commencement of the temporary reassignment. An election by the employee to refuse such temporary reassignment is final and may not thereafter be withdrawn. No election by the employee is permitted once the employee commences the temporary reassignment.

4. The State may rescind a notice of discipline and issue a revised notice of discipline no later than 20 working days prior to the commencement of a disciplinary arbitration. Such action shall not affect a suspension without pay or a temporary reassignment.

5. The fact that the appointing authority, or its designee, has temporarily reassigned an employee rather than suspending the employee without pay shall not be considered by the disciplinary arbitrator for any purpose.

b. During the period of any suspension without pay pursuant to this Article, the State shall continue the employee's and eligible dependents' health insurance coverage which is otherwise available to unit employees, and the State shall pay the employer's share of any premiums to maintain such coverage. Any such suspended employee shall be responsible for paying the employee's share of premium for such health insurance coverage. The State shall not be liable for payment of the employer's share of the health insurance premium for any period of time during which the suspended employee fails to pay the employee's share of the health insurance premium. Also, an employee suspended pursuant to the provisions of this Article shall be counted for the purpose of calculating the amount of any periodic deposit to the UUP Benefit Trust Fund.

c. Where an employee has been suspended without pay pursuant to this Article, an employee's absence(s) shall, upon the employee's written request, be charged against vacation leave, holiday leave, or FLSA compensatory leave provided sufficient accruals exist in such leave categories.

d. Suspension without pay or temporary reassignment:

1. Where an employee has been suspended without pay or temporarily reassigned pursuant to this Article, the employee may, in writing, waive the meeting with the Chancellor, or designee, at the time of filing a disciplinary grievance. In the event of such waiver, the employee shall file the disciplinary grievance form, within the prescribed time limits for filing a grievance with the Chancellor, or designee, directly with

the Director of the Governor's Office of Employee Relations, or designee, in accordance with the provisions of Section 19.4(d).

2. Where an employee has been suspended without pay pursuant to this Article, the employee may file the disciplinary grievance form, within the prescribed time limits for filing a grievance with the Chancellor, or designee, directly with the Director of the Governor's Office of Employee Relations, or designee, in accordance with the provisions of Section 19.4(d) and concurrently file a copy of such grievance with the Chancellor, or designee, in accordance with the provisions of Section 19.4(c).

e. Where a disciplinary arbitration proceeding does not commence within 60 calendar days of an appeal made pursuant to Section 19.4(d) or Section 19.7(d) due solely to the unavailability of the State, an employee suspended without pay shall be returned to the payroll, or temporarily reassigned, until such time that the disciplinary arbitrator renders a decision in the matter, or the matter is otherwise resolved.

§19.8 Representation

a. Employees may represent themselves or be accompanied for purposes of representation by UUP or counsel, consistent with their selection of a representative pursuant to subsection 19.4(c), at any stage of the disciplinary procedure

contained in this Article; provided, however, an employee's representative may only act on the employee's behalf, in the absence of the employee, upon mutual agreement of the parties.

b. An employee shall be provided the opportunity to have representation at an interrogation if at the time such interrogation is commenced it is contemplated by management that such employee will be served a Notice of Discipline pursuant to Article 19 of this Agreement. The employee shall be provided with notification of such opportunity prior to the commencement of such interrogation. In the event such interrogation were to be conducted without having provided the employee with such notification, any statements or admissions made by the employee during such an interrogation may not be subsequently used in a disciplinary proceeding against that employee. If representation is requested by the employee, and such representation is not available six hours' time following such request, the State may proceed with the interrogation and there shall be no limitation on the use of statements or admissions made by the employee.

c. An employee shall be provided the opportunity to have representation present when questioned in any equal employment or Title IX investigatory process conducted by the employer if, at the time of the questioning, the employee is the target of the investigation. Such employee shall be provided with notice and opportunity to obtain representation as provided in subsections (a) and (b) above.

§19.9 Limitation

An employee shall not be disciplined for acts, except those which would constitute a crime, which occurred more than one year prior to the service of the notice of discipline or those which occurred more than seven years prior to the service of the notice of discipline where such acts would constitute a violation of sexual harassment law, rule, regulation or university or campus policy. The employee's whole record of employment, however, may be considered with respect to the appropriateness of the penalty to be imposed, if any.

§19.10 Resignation in Lieu of Notice of Discipline

Employees who are advised that they are alleged to be guilty of misconduct or incompetency and who are therefore requested to resign shall be given a statement written on the resignation form that:

a. They have a right to consult with a representative of UUP or private counsel selected at their expense or the right to decline such representation before executing the resignation, and a reasonable period of time to obtain such representation, if requested, will be afforded for such purpose;

b. They may decline the request to resign and that in lieu thereof, a notice of discipline must be served on them before any disciplinary action or penalty may be imposed pursuant to the procedure provided in Article 19 of the Agreement between the State and UUP;

Notwithstanding the foregoing, after five calendar years on such leave, an employee shall not have any right or entitlement to be restored to regular employment status. For purposes of the State University Group Disability Insurance Program, the College President may require an employee to be examined by a physician selected by the College at its expense. Determination that a disability exists may be made by the College President upon the advice of the College's examining physician. Notwithstanding the failure of an employee to cooperate with the College's examining physician, a determination that a disability exists may be made by the College President upon advice of the College's examining physician

that there are reasonable grounds to assume that a disability benefit would be payable in accordance with the State University Group Disability Insurance Program. If the College President determines, in accordance with the provisions of this Section, that a disability exists, the employee must apply for disability benefits under the State University Group Disability Insurance Program. In the event the employee does not apply for disability benefits, the employee shall be placed on disability leave without pay. If, upon a finding that an employee is not disabled, the disability insurance carrier disapproves an employee's application for benefits, the employee shall be restored to regular employment status.

For purposes of determining the existence of such a disability, the College President may require an employee to be examined by a physician selected by the College at its expense. Determination that a disability exists may be made by the College President upon the advice of the College's examining physician. Notwithstanding the failure of an employee to cooperate with the College's examining physician, a determination that a disability exists may be made by the College President upon advice of the College's examining physician that there are reasonable grounds to assume that a disability exists which would prevent an employee from performing the employee's duties. If the College President determines, in accordance with the provisions of is Section, that such a disability exists, the employee shall be placed on a disability leave without pay. Where appropriate, the College President, after consulting with the College's examining physician, may refer the employee to an Employee Assistance Program or to other service agencies. The employee, however, shall be permitted to use any and all sick leave credits which have been accumulated pursuant to subdivisions (a), (b), (c) and (d) of Section 23.4, and may request additional sick leave pursuant to Subdivision (g) of Section 23.4. An employee who has been placed on disability leave without pay pursuant to this Section may subsequently request to be restored to regular employment status. Such request must be submitted in writing to the College President accompanied by suitable medical evidence from the employee's physician that the employee no longer has a disability which would prevent performance of the employee's duties. Following receipt of such submissions, the College President may require the employee to be examined by a physician selected by the College at its expense prior to making a determination whether to restore the employee to regular employment status. Upon a finding by the College's examining physician that the employee no longer has a disability which would prevent performance of the employee's duties, the employee shall be restored to regular employment status. Upon a finding by the College's examining physician that the employee continues to have a disability which prevents performance of the employee's duties, the College President may require the employee to be examined by a physician from the New York State Department of Civil Service Employee Health Service at the College's expense prior to making a determination whether to restore the employee to regular employment status. Such forms shall be submitted to the College President, or designee, for review on a monthly basis.

§23.10 Unauthorized Absence

§23.13 Seven-Month Child Care Leave

If a child is required to be admitted to a hospital for treatment after child care leave has commenced, upon employee request, child care leave shall be suspended during a single continuous period of such hospitalization and that period shall not count toward calculation of the seven-month period. In such cases, any entitlement to mandatory child care leave expires one year from the date of birth or adoption of the child.

Within 10 working days following receipt by the Chancellor of the employee's request for review submitted pursuant to subdivision (a) of this Section, the Chancellor, or designee, shall acknowledge the employee's request and shall notify both the employee and the College President that a review of the matter shall take place by an ad hoc tripartite committee of members of the professional staff at the employee's campus, to be known as the Chancellor's Advisory Committee.

c. Within 10 working days following their receipt of the communication of the Chancellor, or designee, referred to in subdivision (b) of this Section, the College President and the employee each shall designate, in writing, a member of the professional staff of the College to serve on the Chancellor's Advisory Committee. Copies of the respective designations shall be provided to the employee, the College President and the Chancellor as appropriate.

d. Within 5 working days of their designation, the two members of the Chancellor's Advisory Committee shall designate, in writing, a third member from among a panel of members of the professional staff at the employee's College to be determined in accordance with provisions of Section 33.5 of this Article.

Upon designation of the third member, who shall be Chairperson, the Chancellor's Advisory Committee shall be deemed to be fully constituted. Copies of the Chairperson's designation shall be provided to the employee, the College President and the Chancellor. In the event the two members of the Chancellor's Advisory Committee cannot mutually agree upon a Chairperson, selection of the Chairperson shall be accomplished by alternately striking names from the College Panel until one name remains. The right of first choice to strike shall be determined by lot.

e. Within 5 working days following the designation of the Chairperson, the Chancellor's Advisory Committee shall convene to review the reasons upon which the employee was provided written notice that the term appointment would not be renewed upon its expiration. The scope of the review conducted by the Chancellor's Advisory Committee shall not exceed the following:

1. Where the reasons for the notice of non-renewal were the employee's performance or competence, the Chancellor's Advisory Committee may review the substance of the judgments relating to such performance or competence.

2. Where the reasons for the notice of non-renewal involved matters of program, the review conducted by the Chancellor's Advisory Committee shall be limited to the sole question of whether the notice of non-renewal was in fact based upon such considerations when issued. The Chancellor's Advisory Committee shall not be empowered to determine the correctness of determinations of the College President involving matters other than the employee's performance or competence, but shall satisfy itself that the matters of program were the reasons for the decision and shall so state to the Chancellor.

f. The Chancellor's Advisory Committee shall conclude its review within 45 calendar days following the designation of the Chairperson. Within 5 working days following conclusion of this review, the Chancellor's Advisory Committee shall forward its recommendations, in writing, to the Chancellor.

g. Following receipt of the Committee's recommendations, the Chancellor, pursuant to the Policies of the Board of Trustees, shall, within 60 calendar days, take such action as may, in the Chancellor's judgment, be appropriate and shall notify, in writing, the employee, the Committee, and the College President.

h. If a majority of the members of the Chancellor's Advisory Committee recommend in favor of according continuing or permanent appointment, and the Chancellor does not award continuing or permanent appointment, then, in the final year following the notice of non-renewal, the College President shall either:

1. Reconsider the non-renewal action in light of the recommendations of the Chancellor's Advisory Committee and take such action as may, in the College President's judgment, be appropriate and shall notify, in writing, the employee, the Committee, and the Chancellor of the result; or

2. May offer the employee a designated leave. Such designated leave may be granted by the Chancellor, or designee, pursuant to this Section at full salary or reduced salary. A designated leave granted pursuant to this Section may be for any period, but shall in any event cease upon the termination date contained in the written notice of non-renewal. The employee's election to accept such offer must be in writing and is final and binding and may not thereafter be withdrawn.

This subdivision shall not operate to change the effective date of non-renewal or result in any additional review under this Article.

§33.5 College Panel

The Chairperson of any ad hoc tripartite Chancellor's Advisory Committee shall be selected from a panel of members of the professional staff at an employee's college determined by mutual agreement of the College President and UUP Chapter President. Such panel shall consist of an odd number, not less than nine. In the event the College President and the UUP Chapter President do not agree upon a panel within 90 days from the execution of this Agreement, selection of the panel shall be completed by the Director of Employee Relations, or designee, and the UUP President, or designee.

§33.6 The provisions of this Article shall not be deemed to create any manner of legal right, interest, or expectancy in any appointment to continuing appointment or permanent appointment. Pursuant to

the Policies of the Board of Trustees, a term appointment shall automatically expire at the end of its specified period.

§33.7 Neither provisions of this Article nor any review conducted pursuant thereto shall be subject to the provisions of Article 7, Grievance Procedure, of this Agreement. Issues involving the timeliness of actions under this Article shall be referred by UUP, in writing, by certified mail, to the Governor's Office of Employee Relations for resolution. 1. For those holding a term appointment, at least six months.
2. For those holding a continuing or permanent appointment, at least one year.

§35.5 a. Following the expiration of University-wide special consideration rights provided for in Section 35.4, an employee shall be entitled to an additional 18 months of special consideration for placement within the College at which the employee was employed at the time of retrenchment, provided that a suitable position for which the employee is qualified is available.

The term "same position" shall mean a position at the College equivalent in its content, duties, responsibilities, requirements and obligations to that held by the employee at the time of retrenchment. To facilitate communication concerning reemployment, it shall be the employee's responsibility to ensure that the College's records reflect the employee's current address. Offers of reemployment pursuant to this Section shall be made in inverse order of retrenchment. Any such offer of reemployment must be accepted within 15 working days after the date of the offer, such acceptance to take effect not later than the beginning of the semester immediately following the date the offer was made. the employee was employed at the time of retrenchment should an opportunity for such reemployment arise. (See Appendix A-14 for a list of similar Colleges.) The term "same position" shall mean a position at a similar College equivalent in its content, duties, responsibilities, requirements and obligations to that held by the employee at the time of retrenchment. (c) Covered dependent students shall be provided with a three-month extended benefit period upon graduation from a qualified course of study. Effective July 1, 2008, covered dependent students shall be provided with a three-month extended benefit period upon completion of each semester as a full-time student (or equivalent). The benefit extension will begin on the first day of the month following the month in which dependent student coverage would otherwise end and will last for three months or until such time as eligibility would otherwise be lost under existing plan rules.

(d) The unremarried spouse or domestic partner who has not acquired another domestic partner and otherwise eligible dependent children of an employee, who retires after April 1, 1979 with 10 or more years of active State service and subsequently dies, shall be permitted to continue coverage in the Health Insurance Program with payment at the same contribution rates as required of active employees for the same coverage.

(e) The unremarried spouse/domestic partner who has not acquired another domestic partner and otherwise eligible dependent children of an active employee, who dies after April 1, 1979 and who, at the date of death, was vested in the Employees' Retirement System (ERS), Teacher's Retirement System (TRS), or Optional Retirement Program (ORP), had 10 or more years of benefits eligible service, who was at least 45 years of age and was within 10 years of the minimum retirement age shall be permitted to continue coverage in the Health Insurance Program with payment at the same contribution rates as required of active employees for the same coverage.

(f) Employees on the payroll and covered by the State Health Insurance Program have the right to retain health insurance coverage after retirement, upon the completion of ten years of State service.

(g) An employee who is eligible to continue health insurance coverage upon retirement and who is enti-

tled to a sick leave credit to be used to defray any employee contribution toward the cost of the premium, may elect an alternative method of applying the basic monthly value of the sick leave credit. The basic monthly value of the sick leave credit shall be calculated according to the procedures in use on March 31, 1991. For retirements occurring on and after September 1, 2013, the actuarial table used to calculate the sick leave credit shall be the actuarial table in effect on the date of retirement. Employees selecting the basic sick leave credit may elect to apply up to 100 percent of the calculated basic monthly value of the credit toward defraying the required contribution to the monthly premium during their own lifetime. If employees who elect that method predecease their eligible covered dependents, the dependents may, if eligible, continue to be covered, but must pay the applicable dependent survivor share of the premium. Employees selecting the alternative method may elect to apply only up to 70 percent of the calculated basic monthly value of the credit toward the monthly premium during their own lifetime.

Upon the death of the employee, however, any eligible surviving dependents may also apply up to 70 percent of the basic monthly value of the sick leave credit toward the dependent survivor share of the monthly premium for the duration of the dependents' eligibility. The State has the right to make prospective changes to the percentage of credit to be available under this alternative method for future retirees as required to maintain the cost neutrality of this feature of the Plan. The selection of the method of sick leave credit application must be made at the time of retirement, and is irrevocable. In the absence of a selection by the employee, the basic method shall be applied. An employee retiring from State service may delay commencement or suspend his/her retiree health coverage and the use of the employee's sick leave conversion credits indefinitely, provided that the employee applies for the delay or suspension, and furnishes proof of continued coverage under the health care plan of the employee's spouse or domestic partner, or from post retirement employment.

Expenses applied against the deductible and co-insurance levels indicated above will not apply against any deductible or co-insurance levels maximums under the Basic Medical portion of the Plan. Effective September 1, 2013, covered expenses for non-network mental health and substance abuse treatment will be included in the combined deductible and combined co-insurance maximum as set forth in Article 39.6 (c) and (d) of the Agreement.

APPENDICES

The Appendices are explanatory statements of mutual intent. While the Appendices are not part of the collective bargaining agreement, the State and UUP are fully committed to observing the concepts articulated in these documents.

APPENDIX A-1

Dr. Frederick E. Kowal, President
United University Professions

Dear Dr. Kowal:

Effective upon ratification of the 2016-2022 UUP/State Agreement (“Agreement”), UUP shall have the right to reopen negotiations during the term of the Agreement with respect to the sole issues of a general salary increase for agreement years 2016-2017, 2017-2018, 2018-2019, 2019-2020, 2020-2021 and/or 2021-2022 if any other state bargaining unit agrees to and ratifies a general salary increase exceeding two percent in any of the corresponding State fiscal years.

This right to reopen negotiations is conditioned on taking into account the value of any concessions obtained by the State contained in the collective bargaining agreement used as justification by UUP to demand such reopening.

Sincerely,

s/Michael N. Volforte, Director
Governor’s Office of Employee Relations

s/Frederick E. Kowal, President
United University Professions

APPENDIX A-2

Dr. William E. Scheuerman, President
United University Professions

Dear Dr. Scheuerman:

This will confirm that the intent of Section 17.2 of this collective Agreement is to ensure that a College has each employee’s current address and telephone number for purposes of communicating with the employee in connection with official College, University or State purposes. It is not our intent to make such information public, without an employee’s consent, either by printing it in directories or by any other means.

Sincerely,

s/Linda Angello, Director
Governor’s Office of Employee Relations

s/William E. Scheuerman, President
United University Professions

APPENDIX A-3

Dr. William E. Scheuerman, President
United University Professions

Dear Dr. Scheuerman:

This will confirm that, in the negotiations for this collective agreement on the subject of parking, the State made the commitment that, subject to the results of reopened negotiations, existing free employee parking would not be converted to paid employee parking in the future.

In addition, both parties recognized that certain modifications to parking areas were currently in progress at several State University institutions and that neither the new collective agreement nor the State’s commitment respecting parking described in this letter would affect those modifications.

The parties recognized further, however, that to the extent modifications in progress impacted current parking, UUP would have the right to meet with representatives of the State to discuss alternatives to limit that impact, and that issues such as transportation and parking for the handicapped would be appropriate for such discussions.

Furthermore, this will confirm our mutual understanding that, when a College is considered the appropriate level for parking negotiations, such negotiations will involve the College President and the local UUP Chapter President or their respective representatives.

Finally, this will confirm our understanding that a parking fee, as referred to in Article 38, represents a charge for use of College parking facilities. A registration fee is a separate and distinct charge which represents the modest costs associated with implementing and maintaining a system for registering those motor vehicles operated on campus. Such costs generally include printing, distribution, fee collection, and record keeping.

Sincerely,

s/Linda Angello, Director
Governor's Office of Employee Relations

s/William E. Scheuerman, President
United University Professions

APPENDIX A-4

Dr. William E. Scheuerman, President
United University Professions

Dear Dr. Scheuerman:

This will confirm that the sole obligation arising from the term "consultation" as defined in Article XI, Title A of the Policies of the State University Trustees shall be consideration by a College President of recommendations of academic or professional employees, including the committees, if any, of the appropriate academic department or professional area, and other appropriate sources submitted to the College President in connection with appointment or reappointment of a specific employee.

Sincerely,

APPENDIX A-5

Dr. Frederick E. Kowal, President
United University Professions

Dear Dr. Kowal:

This is to confirm our understanding regarding the scope of obligation of certain bargaining unit members to report witnessed or reported incidents potentially covered under the Clery Act or prohibited by Title IX.

Clery Act and Title IX Reporting Obligations

In addition to the obligations of Bargaining Unit Members who are identified as Campus Security Authorities and/or Responsible Employees under federal law, regulation, and guidance, all Bargaining Unit Members serving in academic rank or qualified academic rank, and all professional employees working in academic advisement, career services, continuing education, financial aid, instructional support, athletics, residential life, or student activities/affairs shall report instances where the Bargaining Unit Member witnesses, or an undergraduate and/or graduate student discloses to the Bargaining Unit Member, a crime

covered under the Clery Act, 20 U.S.C. §1092(f) (identified below) and/or discloses sexual or interpersonal violence or harassment on the basis of sex or gender as prohibited by Title IX of the Education Amendments of 1972. Bargaining Unit Members who witness or receive a report of such an incident must, as soon as practicable, notify University Police, Student Affairs, and/or the Title IX Office and follow campus policy in cooperation with the investigation.

Bargaining Unit members who maintain confidentiality as defined by federal or state law (e.g., pastoral counselors and professional mental health counselors) may elect not to report disclosures as governed by law and their professional code of ethics. This policy does not lessen other existing disclosure obligations that are tied to a specific position.

Covered Clery Act Crimes:

Criminal Offenses—Criminal Homicide, including Murder, Non-negligent Manslaughter, and Manslaughter by Negligence; Sexual Assault, including Rape, Fondling, Incest and Statutory Rape; Robbery; Aggravated Assault; Burglary; Motor Vehicle Theft; and Arson.

Hate Crimes—Any of the above-mentioned offenses, and any incidents of Larceny-Theft, Simple Assault, Intimidation, or Destruction/Damage/Vandalism of Property that were motivated by bias based on race, religion, sexual orientation, gender, gender identity, ethnicity, national origin, or disability.

Violence Against Women Act (VAWA) Offenses—Any incidents of Domestic Violence, Dating Violence and Stalking.

The reporting obligation shall not apply until individual Bargaining Unit Members have received training provided by management on the scope of the obligation to report, including the types of alleged criminal conduct and/or harassment which must be reported and the process for reporting, which includes the opportunity to ask and receive answers to any questions that individual Bargaining Unit Members may have.

Sincerely,

s/Michael N. Volforte, Director
Governor's Office of Employee Relations

s/Frederick E. Kowal, President
United University Professions

APPENDIX A-6

Dr. William E. Scheuerman, President
United University Professions

Dear Dr. Scheuerman:

This will confirm that, under provisions of Section 35.2 of this Agreement, temporary employees holding positions at a level of organization at which retrenchment will occur will be terminated before application of retrenchment to other employees at such level of organization.

With respect to the Chancellor's Discretionary Designated Leave option described in Section 35.3 (e), when the President or designee intends to request a waiver of the retrenched employee's potential contract grievances or a discontinuance of pending contract grievances, the President or designee shall inform such employee of the ability to request union representation during any discussions concerning such waiver or discontinuance. Any such request for union representation shall be in writing and shall be directed to the President or designee. The President, or designee, may grant or deny such request in writing. When such employee is informed about all aspects of the designated leave proposal, such employee shall receive five calendar days to consider and review such designated leave proposal.

Any waiver or discontinuance signed by such employee as part of a designated leave shall state that such employee:

1. has been informed about the ability to request union representation;
2. understands all conditions of the designated leave proposal; and

3. has received five calendar days to consider the designated leave proposal.

If a retrenched employee agrees to the designated leave proposal, such employee shall receive the designated leave payment biweekly.

Where any employee utilizing the designated leave option is thereafter employed in a full-time capacity by the State during the designated leave period, the designated leave shall be deemed to cease upon commencement of such employment.

Sincerely,

s/Linda Angello, Director
Governor's Office of Employee Relations

Dear Dr. Scheuerman:

With respect to subdivision 7.5(c), this is to confirm our understanding that, although Step 3 reviews will be held on the record, a Step 3 meeting may be scheduled by mutual agreement between the State and UUP. If a Step 3 meeting is scheduled, it shall be held within 10 calendar days after receipt of the appeal.

Sincerely,

Dr. William E. Scheuerman, President
United University Professions

Dear Dr. Scheuerman:

This will confirm our mutual understanding that data provided to UUP by either the State or a College President, or designee, pursuant to Articles 16 and 17 of the Agreement shall be in computer-readable form if it exists in that format and if it is requested in that format by UUP. Notwithstanding the above, neither the State nor the College shall be required to provide data in a format requested by UUP if it does not already exist in that format. Further, it is understood that nothing in this letter will require the State or the College to reprogram to meet a specific format request. Finally, should any additional costs be associated with providing the data in computer-readable form over and above what it currently costs the State or the College to provide the data, these costs will be borne by UUP. Furthermore, this letter shall confirm that, where the State acts favorably on requests for information and data submitted by UUP pursuant to Article 17, the State shall encourage the campuses to act promptly in making such information available to UUP.

Sincerely,

s/Linda Angello, Director
Governor's Office of Employee Relations

This is to confirm our understanding with respect to Article 33 reviews of continuing or permanent appointment decisions. On those campuses where there are two academic review committees beyond the initial academic review committee, a positive decision by the initial academic review committee and a positive decision by either of the two subsequent academic review committees shall entitle the employee to a review pursuant to subsection 33.3(a)(3).

Sincerely,

Therefore, the State and UUP agree that these appropriations will be allocated to fund either activities of the State or UUP which directly support the responsibilities of the Joint Committee. **APPENDIX A-24
(Revised 2011)**

To: Presidents, State-operated Campuses
From: Donald G. Dunn
Subject: Union Use of E-Mail

In this round of negotiations, UUP demanded access to e-mail and other communications media at the campuses. The State did not accede to this demand, but responded to UUP that this was an appropriate subject for labor-management discussions at the campus. This is to advise you of the standards to be applied in the course of those discussions.

The State's policy is that the State facilities, including e-mail, should be used for State purposes.

Nevertheless, campuses are able to authorize union access to the campus e-mail for communication purposes within certain limitations. At the bargaining table, the State reserved the right to terminate these arrangements at any time. The State is concerned that given the dynamic development of electronic communication technology, campuses should ensure that the permission to use e-mail be revocable within the discretion of the President. Factors that should be taken into account in determining whether to enter into such an arrangement are the campus's operating needs, volume of anticipated activity and any impact on the system. If email is used for posting schedules similar to bulletin boards, the standards for paper postings on bulletin boards as found in Article 13 of the State-UUP Agreement should be observed.

This article provides:

13.1 UUP shall be permitted to post notices of its activities and matters of UUP concern on one bulletin board in each department at a College. Such material shall be signed by a designated official of UUP or its appropriate chapter. No material shall be posted which is derogatory of any person or organization, or faction thereof, except that election material relating to internal UUP elections may be posted on such bulletin boards.

13.2 Any bulletin board material objected to by the State or its representatives as being in violation of the Article shall be promptly removed. Within two working days after such removal, the local UUP chapter president will be provided with a written statement of the reasons. Such removal may be contested pursuant to the grievance procedure contained in Article 7 of this Agreement.

In all cases, the establishment of such an arrangement shall be between the College President, or designee and the UUP Chapter. Such arrangement shall in all events be subject to adjustment or termination at the discretion of the College President or designee.

APPENDIX A-25
MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding between the Governor's Office of Employee Relations (GOER) and United University Professions (UUP) provides for the continuation of the current New York State Health Insurance Program (NYSHIP) dependent eligibility criteria, utilizing the eligibility/certification requirements described below to include eligibility for the domestic partners of UUP-represented State employees effective thirty days after the execution of the 1995-99 collective bargaining agreement or as soon as practicable thereafter.

Definition:

- A domestic partnership is defined as one in which the partners must be 18 years of age or older, unmarried and not related by marriage or blood in a way that would bar marriage; reside together; and are involved in a committed (lifetime) rather than casual relationship and mutually interdependent financially. The partners must be each other's sole domestic partner and must have been involved in the domestic partnership for a period of not less than six months. The State employee domestic partner may not have a spouse covered under his or her NYSHIP enrollment and still be eligible to cover a domestic partner.

Certification:

- In order to establish that a domestic partnership exists for purposes of obtaining coverage under the NYSHIP, the domestic partners must execute a Domestic Partner Affidavit to be developed by the State in accordance with the guidelines developed by the New York State Insurance Department, provide proof of cohabitation and provide evidence that an economically interdependent relationship exists between the employee and the domestic partner dependent. Proof of cohabitation and economic interdependency shall be required according to the guidelines established by the State Insurance Department and shall verify the existence of the domestic partnership for at least six months prior to the date of application for enrollment in the NYSHIP. Satisfaction of these requirements shall constitute the certification of the domestic partnership for purposes of eligibility for dependent coverage in the NYSHIP.

- If employees fraudulently enroll or continue coverage as domestic partners, they shall be held financially and legally responsible for any benefits paid from the NYSHIP to the domestic partner and may be subject to disciplinary action. Further, any such employee shall forfeit eligibility for future domestic partner coverage.

- A Termination of Domestic Partnership document shall be required should a domestic partner relationship cease. A one-year waiting period shall be required from the date a covered domestic partner dependent is deemed no longer eligible, as evidenced by the filing date of the Termination of Domestic Partnership document, until a new domestic partner can be deemed eligible for coverage.

s/Linda Angello, Director
Governor's Office of Employee Relations

APPENDIX A-26
PRODUCTIVITY ENHANCEMENT PROGRAM
(Formerly Productivity Improvement Program)

The following describes the Productivity Enhancement Program available to employees in the United University Professions Unit. Detailed guidelines on program administration will be issued by the Department of Civil Service.

Program Overview

Eligible employees may elect to participate in the Productivity Enhancement Program.

As detailed below, this program allows eligible employees to exchange previously accrued leave in return for a credit to be applied toward their employee share of NYSHIP premiums on a biweekly basis.

The Productivity Enhancement Program will be available for six months in calendar year 2018 and in calendar

years 2019, 2020, 2021 and 2022. During any year in which an employee participates, the credit will be divided evenly among the State paydays that fall between January 1 and December 31 (July 1 and December 31 for 2018).

Once enrolled, employees continue to participate unless they separate from State service or cease to be NYSHIP contract holders. Leave forfeited in association with the program will not be returned, in whole or in part, to employees who cease to be eligible for participation in the program.

During any calendar year in which an employee participates, the credit established upon enrollment in the program will be adjusted only if the employee moves between individual and family coverage under NYSHIP during that calendar year.

Open enrollment will be offered during the month of October preceding each year the Productivity Enhancement Program is offered. The exact dates of open enrollment will be established by the Department of Civil Service. Employees will be required to submit a separate enrollment for each calendar year in which they wish to participate. For the 2018 Productivity Enhancement Program open enrollment will begin as soon as practicable after ratification.

Disputes arising from this program are not subject to the grievance procedure contained in this Agreement.

Eligibility

At the time of enrollment, an employee must:

- Be employed on a Calendar Year or College Year basis;
- Be a full-time employee with an annual salary within the applicable salary range, at the time of enrollment, for each calendar year of the program OR a part-time employee whose biweekly salary is within the salary range, at the time of enrollment, for each calendar year of the program;
- Be an employee covered by the 2016-2022 New York State/United University Professions Collective Bargaining Agreement;
- Be a NYSHIP enrollee (contract holder) in either the Empire Plan or an HMO;
- Be eligible to receive an employer contribution toward NYSHIP premiums (or be on leave without pay from a position in which the employee is normally eligible for an employer share contribution toward NYSHIP premiums); and
- Have a sufficient annual leave balance to make the full leave forfeiture without bringing their annual leave balance below eight days or a prorated balance for part-time employees respectively.

Calendar Year 2018

Full-time employees with an annual salary at or below \$66,885 who enroll in this portion of the program for 2018 will forfeit a total of either one and one-half days or three days of annual leave standing to their credit at the time of enrollment in return for a credit of up to \$250 or \$500 to be applied toward the employee share of NYSHIP premiums deducted from biweekly paychecks issued between July 1, 2018 (or as soon as practicable thereafter) and December 31, 2018.

Full-time employees with an annual salary above \$66,885 and below \$95,534 who enroll in this portion of the program for 2018 will forfeit a total of either one day or two days of annual leave standing to their credit at the time of enrollment in return for a credit of up to \$250 or \$500 to be applied toward the employee share of NYSHIP premiums deducted from biweekly paychecks issued between July 1, 2018 (or as soon as practicable thereafter) and December 31, 2018.

Calendar Year 2019

Full-time employees with an annual salary at or below \$68,192 who enroll in this portion of the program for 2019 will forfeit a total of three days or six days of annual leave standing to their credit at the time of enrollment in return for a credit of up to \$600 or \$1,200 to be applied toward the employee share of NYSHIP premiums deducted from biweekly paychecks issued between January 1, 2019 and December 31, 2019.

Full-time employees with an annual salary above \$68,192 and below \$97,448 who enroll in this portion of the program for 2019 will forfeit a total of two days or four days of annual leave standing to their credit at the time of enrollment in return for a credit of up to \$600 or \$1,200 to be applied toward the employee share of NYSHIP premiums deducted from biweekly paychecks issued between January 1, 2019 and December 31, 2019.

APPENDIX A-27

MEMORANDUM OF UNDERSTANDING ON CONTRACTING OUT

ARTICLE A. REDEPLOYMENT CONSIDERATION: PROCESS AND PROCEDURES

The process and procedures contained herein were developed to support the provisions of Article 36 regarding the redeployment of employees affected by the State's right to contract out for goods and/or

services. It is the State's intent to redeploy employees to the maximum extent possible in instances where positions will be eliminated as a result of the contracting out for goods and/or services. All campuses will work cooperatively to ensure that every opportunity to redeploy is explored. Employees will be flexible in considering redeployment alternatives.

Section 1. Definitions

§1.1 An "affected employee" or an "employee affected" by contracting out shall mean a current employee whose position will be eliminated as a result of the State's exercise of its right to contract out for goods and/or services provided by that position. An "affected employee" or "an employee affected" is also the least senior employee displaced in accordance with Section 3.2(f) of Article A of this Memorandum of Understanding.

Employees subjected to the following actions shall not be regarded as affected employees or employees affected by contracting out:

- a. Termination of employees serving on temporary or probationary appointments, which may be terminated at any time in accordance with the provisions of Article XI of the Policies of the Board of Trustees.
- b. Non-renewal of term appointees where the RFP is issued after the last date on which the notice of non-renewal is required to be issued under Article 32 (Notice of Non-Renewal) of the Agreement.
- c. Termination of employees pursuant to Article 19 (Disciplinary Procedures) of the Agreement.
- d. Termination of employees due to mental or physical incapacity pursuant to Article XV of the Policies of the Board of Trustees.
- e. Discontinuation from service under Sections 23.8(a) and (b) of the Agreement.
- f. Employees deemed to have resigned under Section 23.10 of the Agreement.
- g. Termination of employees pursuant to Article 35 of the Agreement unless a Request for Proposal for contracting out of the specific position occupied by an employee is issued within the recommended period of notice of retrenchment as set forth in Article 35 of the Agreement.

§1.2 A "fillable vacancy" is a vacant position that the campus has decided to fill, subject to available funding.

§1.3 An "employee separates from employment" when an employee voluntarily resigns employment with the State University or when employment with the State University ceases in accordance with Article A of this Memorandum of Understanding.

§1.4 The term "same position" shall mean a position that is equivalent in its content, duties, responsibilities, requirements and obligations as the position which had been held by the affected employee at the time a Request for Proposal for contracting out was issued.

The determination of whether a position in the same job title is the "same position" for purposes of this Memorandum of Understanding shall be based upon an examination of the employee's most recent position description and performance program as compared to the most recent position description and performance program for the position vacancy under review. In the event the vacancy under review is a new or substantially modified position, such comparison shall be with the new position description and proposed performance program.

§1.5 An employee "meets the qualifications" of the position when:

- a. an employee meets the campus' requirements, including but not limited to, educational degree attainment, professional certification, and/or licensure for a particular position; and
- b. an employee has the ability, as determined by the campus, to perform the content, duties, responsibilities, requirements and obligations of a position as a result of the employee's job experience, education, and training.

§1.6 The "date a Request for Proposal for contracting out is issued" shall, for all purposes, be regarded as the date a copy of the Request for Proposal is received by UUP. Such copy to UUP shall be transmitted by certified or registered mail, return receipt requested, or by personal service at the time it is sent to poten-

tial contractors. Upon personal service, the recipient of such documents, upon request, shall acknowledge, in writing, the receipt thereof. Proof of personal service shall specify the person who was served and the date, place and manner of service.

Concurrent written notification shall be provided by the campus to employees whose positions are likely to be contracted out under such Request for Proposal.

Section 2. Redeployment List Procedures: General Provisions

§2.1 This section shall apply to the following categories of employees who are affected by contracting out:

- a. Professional employees with permanent appointments;
- b. Professional employees in titles listed in Appendix A to Article XI of the Policies of the Board of Trustees who are serving in five-year term appointments;
- c. Academic term employees with three or more years consecutive service;
- d. Professional term employees with three or more years consecutive service; and
- e. Employees who receive notice of non-renewal following first redeployment.

§2.2 Employees in the above listed categories shall be placed on a redeployment list and shall remain on such list until one of the following occurs:

- a. the employee is appointed to a position;
- b. the employee is removed from a redeployment list in accordance with the provisions of Article A of this Memorandum of Understanding; or,
- c. the employee separates from employment.

§2.3 Where a fillable vacancy exists and an employee on a redeployment list meets the qualifications for that vacancy, the campus shall offer the position to the employee. In the event that more than one employee meets the qualifications for the position, the campus shall offer the position to the employee who the campus, in its discretion, deems most qualified. However, in such instances, qualified professional employees holding permanent appointments shall be offered positions before professional employees holding term appointments. If the employee deemed most qualified declines the offer, the campus shall offer the position to the next employee who the campus, in its discretion, deems most qualified. The campus may fill the vacancy through other means where no one on a redeployment list meets the qualifications for a vacancy, or where all employees on a redeployment list who were deemed qualified decline offers.

Academic employees on term appointments shall be considered for any fillable academic vacancy. Professional employees shall be considered for any fillable professional vacancy.

§2.4 Offers of redeployment shall be in writing and must be accepted in writing within ten working days after receipt of such offer by the employee. An employee who accepts an offer of redeployment shall be appointed to such position. In the event that the position the employee is offered is over 50 miles from either the employee's residence or the work site at the contracting out campus, the employee may decline the offer and remain on a redeployment list until appointed to a position or otherwise separated from employment, whichever occurs first. In the event that the position the employee is offered is 50 miles or less from either the employee's residence or the work site at the contracting out campus, the employee who declines such offer or fails to accept such offer in writing within ten working days shall be removed from a redeployment list and no further redeployment consideration shall be accorded such employee. However, upon expiration of an affected employee's right to remain employed at the contracting-out campus as set forth in Sections 3.1, 4.2 (a), or 4.3 (a) of Article A of the Memorandum of Understanding, as appropriate to the employee's term or permanent appointment status, such employee may elect one of the transition benefits in accordance with Article 36.2 of the Agreement.

Section 3. Professional Employees with Permanent Appointments and Professional Employees in Titles Listed in Appendix A to Article XI of the Policies of the Board of Trustees who are Serving in Five-Year Term Appointments

§3.1 A professional employee with a permanent appointment, or a professional employee in a title listed in Appendix A to Article XI of the Policies of the Board of Trustees who is serving in a five-year term appointment, shall have the right to remain employed at the contracting-out campus and shall continue to receive the same basic annual salary for a period of two years from the date the Request for Proposal for contracting out is issued. In any event, all the above listed rights and entitlements shall cease two years from the date the Request for Proposal for contracting out is issued, unless otherwise specified in Article A of this Memorandum of Understanding.

§3.2 Using the inverse order of appointment within each affected group of employees as set forth in Article 35.2 (a) and (b) of the Agreement, an employee shall be entitled to displace the least senior employee in the same job title performing the same position at the contracting out campus. Where an employee is entitled to displace as set forth herein, the following shall apply:

- a. An employee with permanent appointment redeployed to the same position at the same campus shall retain permanent appointment.
- b. An employee in a title listed in Appendix A of Article XI of the Policies of the Board of Trustees who is serving in a five-year term appointment, redeployed in the same position at the same campus, shall retain the balance of the employee's term appointment at the time of redeployment or shall receive a two-year term appointment, whichever is longer.
- c. An employee redeployed under this provision shall continue to receive the same basic annual salary that such employee was receiving immediately prior to the time of redeployment.

In the event such basic annual salary exceeds the normal maximum of the salary level for the professional title in which the employee is redeployed, such employee shall be ineligible for any general salary increases until such time the employee's basic annual salary is equal to or less than the normal maximum of the salary level for the employee's professional title.

- d. Notice of right to displace shall be provided by the contracting-out campus in writing to the employee. Following the employee's receipt of such notice, the employee shall have ten working days to accept or decline, in writing, such right of displacement.
- e. In the event an employee declines to displace the least senior employee or fails to accept in writing within ten working days, such employee shall have no further displacement right, but shall be placed on a redeployment list in accordance with Section 2 of Article A of this Memorandum of Understanding and shall be subject to the provisions thereof.

f. The least senior employee displaced as a consequence of this provision shall be considered the affected employee for purposes of Article 36 of the Agreement and this Memorandum of Understanding.

§3.3 An employee shall be entitled to be redeployed to the same position at the same campus, where a fillable vacancy exists. Such redeployment shall be in accordance with Section 2 of Article A of this Memorandum of Understanding. Where an employee is redeployed to the same position at the same campus, the following shall apply:

a. An employee with permanent appointment redeployed to the same position at the same campus shall retain permanent appointment.

b. An employee in a title listed in Appendix A of Article XI of the Policies of the Board of Trustees who is serving in a five-year term appointment, redeployed to the same position at the same campus, shall retain the balance of the employee's term appointment at the time of redeployment or shall receive a two-year term appointment, whichever is longer.

c. An employee redeployed under this provision shall continue to receive the same basic annual salary that such employee was receiving immediately prior to the time of redeployment.

In the event such basic annual salary exceeds the normal maximum of the salary level for the professional title in which the employee is redeployed, such employee shall be ineligible for any general salary increases until such time the employee's basic annual salary is equal to or less than the normal maximum of the salary level for the employee's professional title.

d. Notice of right to a fillable vacancy shall be provided by the contracting-out campus in writing to the employee. Following the employee's receipt of such notice, the employee shall have ten working days to accept or decline, in writing, such fillable vacancy.

e. In the event an employee declines the fillable vacancy or fails to accept in writing within ten working days, such employee shall be placed on a redeployment list in accordance with Section 2 of Article A of this Memorandum of Understanding and shall be subject to the provisions thereof.

§3.4 An employee shall be entitled to be redeployed to the same position at any campus, where a fillable vacancy exists. Such redeployment shall be in accordance with Section 2 of Article A of this Memorandum of Understanding. Where an employee is redeployed to the same position at any campus, the following shall apply:

a. Such employee shall receive a one-year term appointment at the new campus.

b. Upon the employee's completion of six months of service in the position, the employee shall be notified that: (i) upon expiration of the initial one-year term appointment, a two-year term appointment shall be granted; or (ii) the employee's current term appointment shall not be renewed following its expiration.

c. In the event of non-renewal, the employee may elect one of the transition benefits in accordance with Article 36.2 of the Agreement.

d. An employee granted the subsequent two-year term appointment shall receive a review for permanent appointment, or a five-year term appointment, as may be appropriate, prior to expiration of that appointment. Written notice that a permanent appointment shall be recommended, or that a five-year term appointment will be granted, or that a term appointment is not to be renewed following its expiration is to be given to the employee by the College President or designee not less than one year prior to the end of the two-year term appointment.

e. Any further employment in a position where permanent appointment may be granted may only be on the basis of a permanent appointment, after completion of three consecutive years of service in such position.

f. Transition benefits in accordance with Article 36.2 of the Agreement shall not be applicable where an employee on a two-year term appointment is non-renewed.

g. An employee redeployed under this provision shall continue to receive the same basic annual salary that such employee was receiving immediately prior to the time of redeployment, but in no event shall

such basic annual salary exceed the normal maximum of the salary level for the professional title in which the employee is redeployed.

h. In all events, the employee shall retain the right to return to employment at the contracting-out campus and continue to receive the same basic annual salary for any portion of the two-year period referred to in Section 3.1 above, which may be remaining at the effective date of non-renewal.

§3.5 If as a result of redeployment in accordance with Section 2 of Article A of this Memorandum of Understanding, an employee is offered a different position at the same campus, the following shall apply:

a. Such employee shall receive an initial one-year term appointment at the contracting-out campus with a review for permanent appointment, or a five-year term appointment, as may be appropriate, prior to the expiration of that appointment.

b. The employee appointed from a redeployment list shall receive the basic annual salary and title as listed in the vacancy announcement prepared by the campus.

Upon termination, the employee may elect one of the transition benefits in accordance with Article 36.2 of the Agreement.

Section 6. General Rules

§6.1 Notification to the Union Prior to the Request for Proposal for Contracting Out

The State University shall provide written notification to the United University Professions (UUP) where positions currently held by PSNU employees will be eliminated as a result of the State's exercise of its right to contract out for goods and/or services. Such notification shall be provided at least two weeks prior to the issuance of the Request for Proposal for contracting out and shall be required only in instances where current employees will be affected. Upon UUP's receipt of such written notification, UUP may request a

meeting to discuss the campus' plan to contract out for goods and/or services.

§6.2 Work Force Impact Plan

At the time a Request for Proposal for contracting out is issued, the contracting-out campus shall forward in writing to the Tripartite Redeployment Committee a Work Force Impact Plan. The Work Force Impact Plan shall specify the goods and/or services to be contracted out, identify the employees who will be affected by contracting out, and describe the measures the campus expects to undertake to redeploy affected employees to the maximum extent possible, including any campus retraining initiatives that might facilitate redeployment.

§6.3 Redeployment Hiring Incentive

A redeployment hiring incentive of 90 calendar days' salary support shall be paid by the contracting out campus to a hiring campus for each employee redeployed in accordance with this Article A of this Memorandum of Understanding.

§6.4 Reemployment in a Contracting Out Situation

An offer of reemployment shall be made by the campus in writing to the employee and must be accepted in writing within ten working days after receipt of such offer by the employee. The employee's failure to accept such offer within ten working days shall constitute a declination.

§6.5 President's Discretionary Redeployment Leave

The President's Discretionary Redeployment Leave shall be applicable in the following two instances:

- a. At any time following the issuance of a Request for Proposal for contracting out, the College President may elect, in the President's discretion, to offer an affected employee a President's Discretionary Redeployment Leave. RE: Contracting Out/Preferential Consideration With Contractor

Dear Dr. Scheuerman:

This will confirm the understanding reached during negotiations of the 1995-99 State/UUP Agreement regarding transition benefit of Article 36.2(c) of the Agreement concerning preferential employment with the contractor.

In an effort to create possible placement opportunities with the contractor, the State University will include as part of the Request for Proposal a requirement that the contractor give preferential consideration to affected employees for positions with the contractor on such project, if available.

The contracting campus shall be responsible for making affected employees aware of any job opportunities with the contractor which the contractor notifies the campus are available. This responsibility may include providing names of interested employees to the contractor, arranging interviews, and otherwise providing information and assistance regarding contractor hiring.

Such responsibility shall cease at such time as either the affected employees have gained employment with either the State or the contractor or have selected and received a transition benefit from Article 36.2(a) or (b).

Also, the State will seek legislation which shall permit employees to exercise this option without violation of the revolving door provisions of the State Ethics Law.

Sincerely,

s/Linda Angello, Director
Governor's Office of Employee Relations

s/William E. Scheuerman, President
United University Professions

Dear Dr. Scheuerman:

Should the State University contract out for services currently performed by employees represented by the United University Professions (UUP), this shall confirm that the following information will be provided by the campus upon the union's written request:

- Copy of the proposal submitted by the vendor awarded the contract in response to the campus' Request for Proposal (RFP) but excluding any proprietary information or confidential trade secrets;
- Copy of the fully executed and approved contract between the campus and the vendor selected to provide the services specified in the RFP;
- Copy of any fully executed and approved amendments during the term of the original contract;
- Copy of any other fully executed and approved contracts between the campus and the selected vendor for goods and/or services in addition to those specified in the RFP; and a
- Copy of any audits/evaluations conducted by an organization external to the State University of the services provided by the selected vendor under the contract.

Sincerely,

s/Linda Angello, Director
Governor's Office of Employee Relations

s/William E. Scheuerman, President
United University Professions

Dear Dr. Scheuerman:

This is to confirm our mutual understanding that with respect to the State's right to contract out for goods or services as provided for in Article 36 of the Agreement, the provisions of the Ethics Law, as set forth in Public Officers Law Sections 73 and 74, must be adhered to. When the State is contracting for goods or services performed by PSNU employees, the contract bidding process and any contract must comply with the provisions of the Ethics Law. In this regard, the parties agree that the bidding process and the contract must conform to the Ethics Law provisions concerning potential and actual conflicts of interest.

The parties acknowledge that any subsequent amendments or exception to and/or changes in the Ethics Law, or the application thereof, are binding on the parties.

Sincerely,

s/Linda Angello, Director
Governor's Office of Employee Relations

s/William E. Scheuerman, President
United University Professions

Dear Dr. Scheuerman:

This is to confirm our mutual understanding that the State's right to contract out as specified in Article 36 of the Agreement shall apply to all positions, including vacancies. However, in the event current PSNU employees would be affected, the State shall not contract out for goods or services performed by PSNU employees with the following organizations: the Research Foundation, any campus foundation, the SUNY Construction Fund, University Auxiliary Services Corporation, or any Faculty Student Association.

Furthermore, with respect to vacant positions, the State shall not contract out with the aforementioned organizations for goods and/or services which have been exclusively performed by PSNU employees.

Sincerely,

s/Linda Angello, Director
Governor's Office of Employee Relations

**Memorandum of Understanding Between The State University of New York
and United University Professions Relating to a System of Evaluation for Professional Employees
(Revised 2011)**

I. Evaluation Policy

It shall be the policy of the University to evaluate the performance of all professional employees in the Professional Services Negotiating Unit as hereinafter provided.

II. Definitions

A. The following terms shall be defined as provided in Article 4 of the Agreement between the State of New York and United University Professions: "University," "professional employee," "college president," "college."

B. "Professional position" shall mean a position in the Professional Services Negotiating Unit other than a position of academic or qualified academic rank.

C. "Immediate supervisor" shall mean the person so designated by the college president for the purposes herein.

D. "Employment status" shall include but not be limited to personnel actions involving appointments, promotion, transfer, reassignment, discretionary salary increase.

III. Purposes of Evaluation

A. The performance of each professional employee shall be evaluated in order to:

(1) provide the college president with consultation in making a decision to renew or non-renew a professional employee's appointment;

(2) provide a base for performance improvement;

(3) serve as a guide to reevaluate job functions;

(4) provide the college president with consultation in a decision as to promotions and discretionary salary increases;

(5) provide a basis for career growth.

IV. Implementation of Evaluation System

A. This memorandum of understanding shall be implemented as of September 30, 1981.

V. Evaluation Procedure

A. Evaluation is a continuing process carried out on a daily basis. A formal evaluation should be the expression of this ongoing process.

(1) Responsibility

Upon initial appointment, the college president or designee shall give written notice to each new professional employee of the person designated as the immediate supervisor.

Each immediate supervisor shall be responsible for evaluating the performance of professional employees who work at the supervisor's direction. Such performance evaluations shall be conducted for the purposes described in Section III above and at regular intervals as specified below.

Upon written request of the professional employee to the college president, the college president or designee shall provide written notice to the employee of the person who has been designated as the employee's immediate supervisor.

The college president or designee shall provide written notice of any change in the immediate supervisor within 30 calendar days of the change.

(2) Frequency

(a) The immediate supervisor of a new professional employee shall consult with such new employee concerning a performance program and the system of evaluation within the first month of the initial appointment. The performance program shall be established within 15 working days from the date of consultation.

(b) The performance of each professional employee, without regard to employment status, shall be formally evaluated in writing by the immediate supervisor once each year during the length of the employee's appointment, and as changing conditions warrant, except where the employee is serving his or her final year of University service.

(c) If, as part of the informal ongoing evaluation process, the immediate supervisor identifies a continuing need for improvement in the employee's performance, it is the responsibility of the immediate supervisor to discuss this with the employee without delay, and with specific suggestions for improvement.

(3) Initial Consultation

The evaluation process shall begin with a discussion between the immediate supervisor and professional

employee concerning the following:

- (a) The nature of the professional employee's duties and responsibilities;
- (b) Supervisory relationships;
- (c) Functional relationships;
- (d) Immediate and long-term objectives;
- (e) Criteria for evaluating achievement of objectives.

(4) Determination of Objectives and Criteria

Consistent with the professional employee's duties and responsibilities, as well as the employee's role in contributing to the aims of the University, the immediate supervisor, after consultation with the professional employee, shall determine the objectives to be achieved during the evaluation period. Appropriate criteria for evaluating the degree to which objectives are met shall be determined in the same fashion.

As they relate to the particular duties, responsibilities, and objectives to which the professional employee is assigned, the following criteria, where applicable, should be among those on which the evaluation is based:

(a) Effectiveness in performance—as demonstrated, for example, by success in carrying out assigned duties and responsibilities, efficiency, productivity and relationship with colleagues.

(b) Mastery of specialization—as demonstrated, for example, by degrees, licenses, honors, awards, and reputation in professional field.

(c) Professional ability—as demonstrated, for example, by invention or innovation in professional, scientific, administrative, or technical areas; i.e., development or refinement of programs, methods, procedures, or apparatus.

(d) Effectiveness in University service—as demonstrated, for example, by such things as successful committee work, participation in local campus and University governance, and involvement in campus-related or University-related student or community activities.

(e) Continuing growth—as demonstrated, for example, by continuing education, participation in professional organizations, enrollment in training programs, research, improved job performance and increased duties and responsibilities. The foregoing criteria and examples thereof are presented for descriptive and explanatory purposes only and are in no way intended to be all inclusive or to limit the immediate supervisor in the selection of appropriate criteria for evaluation.

(5) Consultation with Secondary Sources

(a) Secondary sources are agencies, offices, or individuals which will be involved with the performance of the employee and may affect the employee's ability to achieve the stated objectives.

(b) The immediate supervisor, after consultation with the professional employee, shall identify in the written performance program the secondary sources to be consulted as part of the evaluation process and the relationship between each secondary source and the professional employee.

(6) Performance Program

(a) The results of discussions with the professional employee, in accordance with provisions of (3) through (5) above, shall be reduced to writing by the immediate supervisor and shall constitute the performance program on which formal evaluation for the ensuing evaluation period will be based. The evaluation period cannot start prior to the date upon which the employee receives a copy of the written performance program.

(b) Copies of this program, signed and dated by the professional employee and the immediate supervisor, shall be distributed to the professional employee and the evaluator's supervisor, and a copy shall be placed in the professional employee's personnel file. If the supervisor and the employee do not concur on the performance program, the employee has the right to attach a statement to the performance program within 10 working days from receipt.

(7) Modification of the Performance Program

As circumstances warrant, the immediate supervisor and the professional employee shall meet to review the appropriateness of elements of the performance program. Modifications in the performance program by the immediate supervisor shall be specified in writing commensurate with provisions of (3) through (6) above.

(8) Formal Evaluation

(a) Formal evaluation shall be based upon the professional employee's performance program, modified as appropriate to reflect changed circumstances.

(b) The immediate supervisor shall prepare a preliminary evaluation report and a new performance program. All evaluations shall include a summary of information from the secondary sources identified in the performance program. Commendable performance and/or areas in need of improvement may be identified. The preliminary report shall include a summary characterization of such employee's performance as "satisfactory" or "unsatisfactory." When appropriate, the report shall contain recommendations relating to: renewal or non-renewal of the professional employee's appointment; promotion; discretionary salary increase; or other actions affecting the employment status of the professional employee. In any event, the employee shall receive the recommendation made by the immediate supervisor pertaining to reappointment no later than 45 calendar days prior to the date upon which notice of non-renewal is due.

(c) The immediate supervisor and the professional employee shall meet to discuss the preliminary evaluation and a new performance program. The extent to which information from secondary sources has influenced the evaluation report shall be reviewed with the employee during this discussion. If an evaluation is characterized as "unsatisfactory," the basis for this characterization shall also be a part of this discussion.

(d) Commensurate with the provisions of (3) through (7) above and prior to concluding the discussion, the immediate supervisor and the professional employee shall discuss a new performance program.

(e) Based upon the evaluation of the professional employee in relation to such employee's performance program and based upon information obtained during discussion with such employee in accordance with (b) through (d) above, the immediate supervisor shall prepare a final written evaluation report which shall include a summary characterization of such employee's performance, any appropriate recommendations, and to which a new performance program shall be attached.

(f) The employee's signature on the final evaluation report signifies only that the employee has received and discussed it with the immediate supervisor, and does not represent agreement or disagreement with the evaluation.

(9) Disposition of Final Evaluation Report

(a) The immediate supervisor shall provide the professional employee with a dated copy of the final evaluation report as soon after completion of the evaluation process as practicable, but not less than forty-five (45) calendar days prior to the notification date for non-renewal of a term appointment for a professional employee serving on such appointment. The original written, dated and signed evaluation report shall be placed in the professional employee's personnel file, a copy of which shall be forwarded to the evaluator's supervisor.

(b) A professional employee who seeks a review of a final evaluation report characterized as "unsatisfactory" must inform in writing the immediate supervisor, the Chair of the Committee on Professional Evaluation, and the college president or designee within ten (10) working days of receipt of the report.

Upon being notified that the professional employee is requesting a review, the immediate supervisor shall, within five (5) working days, provide the Chair of the Committee on Professional Evaluation a dated copy of the final evaluation report.

(c) If the final evaluation report contains recommendations affecting a professional employee's employment status or is to be reviewed by the Committee on Professional Evaluation, it shall be sent to the college president or designee.

(d) If the final evaluation report sent to the college president is not to be reviewed by the Committee on Professional Evaluation, the college president shall take such action as is deemed appropriate with respect to recommendations contained in such report. Otherwise, action shall be delayed until the Committee on Professional Evaluation has completed its review and submitted its recommendations to the college president or designee; however, failure of the Committee to initiate and complete a timely review shall not prevent the college president from acting upon recommendations in the final evaluation report to conform with notice requirements in event of non-renewal of term appointments.

VI. College Committee on Professional Evaluation

A. Within thirty (30) calendar days after execution of the 1981 revised Memorandum of Understanding between the State University and United University Professions relating to a system of evaluation, a five-person Committee on Professional Evaluation shall be formed at each college.

The Committee shall consist of three (3) professional employees serving in positions in the negotiating unit at each college, elected at large by all of the professional employees in the negotiating unit at the college in accordance with procedures developed and implemented by the UUP chapter president. The remaining members shall be selected by the college president. The chair shall be selected by the Committee from among its members.

In the event of a resignation or the inability of a member to serve, that member shall be replaced within thirty (30) calendar days pursuant to the procedures outlined in A above.

During the period September 1 to September 30 of each year, the UUP chapter president, at his or her discretion, may choose to replace any or all members of the committee elected at large by the professional employees in the negotiating unit and cause a new election to be held pursuant to the above procedures to fill the vacancy or vacancies created. Additionally, during the same period each year, the college president, in his or her discretion, may choose to replace any or all members he or she has selected to serve on the Committee, and select a new member or members to fill the vacancy or vacancies created. The newly established Committee will commence service on October 1.

B. Process of Review

(1) The Committee on Professional Evaluation established pursuant to Section VI. A. shall, upon the timely request of a professional employee, review a final evaluation report characterized as "unsatisfactory."

(2) Committee review shall address both the procedures and substance of the unsatisfactory evaluation.

(3) As part of its review, the Committee at its discretion:

(a) shall have access to all previous formal evaluations of the professional employee concerned;

(b) may request and consider any additional comments by either the immediate supervisor or the professional employee;

(c) may request information pertinent to the review from secondary sources;

(d) may request that the immediate supervisor and/or the appellant meet with the Committee and respond to inquiries;

(e) shall be free to call upon any other individual whom they believe has information relative to the evaluation. All individuals shall be encouraged to cooperate with the Committee if so requested.

C. Disposition of Committee Report

The Committee shall complete the written recommendations within twenty-five (25) working days from the date of appeal, with copies to the professional employee, the immediate supervisor, the evaluator's supervisor and the college president. Within ten (10) working days of the issuance of the report, the college president shall take such action as he or she deems appropriate and shall give written notice of such action to the professional employee, the immediate supervisor, the evaluator's supervisor and the Committee on Professional Evaluation. I. Promotion Policy

It shall be the policy of the University to give consideration for promotion to all professional employees in the Professional Services Negotiating Unit and to permit the promotion of any such professional employee as hereinafter provided.

II. Definitions

A. The following terms shall be defined as provided in Article 4 of the collective bargaining Agreement between the State of New York and the United University Professions: "University," "professional employee," "college president," "college."

B. "Professional position" or "position" shall mean a position in the Professional Services Negotiating Unit other than a position of academic or qualified academic rank.

C. "Promotion" shall mean an increase in a professional employee's basic annual salary accompanied by movement to a higher salary level with a change in title:

(1) resulting from a permanent significant increase or change in the employee's duties and responsibilities as a consequence of movement from one position to another of greater scope and complexity of function at the same or different campus; or

(2) resulting from a permanent significant increase in the employee's duties and responsibilities as a consequence of a permanent increase in the scope and complexity of function of the employee's position.

The criteria to be used in considering an employee for promotion shall be those defined in Section III, Paragraph D.

III. System of Promotion**A. Professional Ranks**

The University shall establish six salary levels designated 1, 2, 3, 4, 5 and 6.

B. University Review Board

The University shall maintain a University Review Board to review appeals in accordance with appropriate provisions of Paragraph E (2) below from decisions of the college president not to make promotions of the type defined in Section II, Paragraph C(2).

C. College Review Panel

Each college president shall continue the procedure by which the professional employees shall elect a College Review Panel. Such Panel shall consist of not less than five (5) nor more than seven (7) members elected at large by all professional employees in the negotiating unit.

The Panel shall:

(1) review applications for promotions of the type defined in Section II, Paragraph C(2) and make decisions and recommendations with respect to such applications in accordance with appropriate provisions of Paragraph E(2); and

(2) review applications for salary increases resulting from a permanent and significant increase in duties

and responsibilities which are not accompanied by a change in title or rank.

D. Criteria for Promotion

(1) The criteria to be used in considering an employee for promotion shall be those which relate to the particular type of duties and responsibilities for which the employee is being considered; for example:

(a) Effectiveness in performance—as demonstrated, for example, by success in carrying out assigned duties and responsibilities, efficiency, productivity, and relationship with colleagues.

In the case of University professional employees, satisfactory supervisory evaluations of a professional employee's performance at the present level of duties and responsibilities shall be considered. Additionally, supervisory comments on such evaluation regarding the professional employee's projected capabilities to function at an increased level of responsibility shall also be considered.

(b) Mastery of specialization—as demonstrated, for example, by degrees, licenses, honors, awards, and reputation in professional field.

(c) Professional ability—as demonstrated, for example, by invention or innovation in professional, scientific, administrative, or technical areas; i.e., development or refinement of programs, methods, procedures, or apparatus.

(d) Effectiveness in University service—as demonstrated, for example, by such things as successful committee work, participation in local campus and University governance, and involvement in campus or University-related student or community activities.

(e) Continuing growth—as demonstrated, for example, by continuing education, participation in professional organizations, enrollment in training programs, and research. The foregoing criteria and examples thereof are presented for descriptive and explanatory purposes only and are in no way intended to be all inclusive.

E. Method of Promotion

(1) Vacant Position

(a) Promotions of the type defined in Section II, Paragraph C(1) shall be made as follows:

(i) Colleges shall notify the University Office of Personnel Services of all present or potential vacancies in positions in the Professional Services Negotiating Unit which are intended to be filled. The University shall announce position vacancies of which it has been notified and shall provide proposed salary ranges, minimum qualifications, and brief descriptions of the positions.

The announcements shall also specify information required from applicants for each such position and shall contain time limits for the receipt by the college of applications. All professional employees who file an application with the appropriate college within the specified time limitations shall be considered for the position for which they have applied.

(ii) The college may elect to conduct personal interviews. In that event the college may select from among all applicants for a position those for whom personal interviews will be arranged. In such cases, all applicants shall be notified whether they have been selected for an interview.

Applicants who are not selected for personal interviews will be advised that they will not receive further consideration for promotion to the current vacant position for which they applied.

(iii) Prior to promoting or appointing the successful applicant the college shall inform all remaining unsuccessful applicants of their nonselection. The college decision shall be final, provided, however, that all promotions or appointments shall be subject to approval in accordance with Policies of the Board of Trustees.

(b) If, in the judgment of the college president, and pending the completion of the procedures described herein, an emergency exists which requires any such vacant position to be filled immediately, an employee may be offered the position on an interim basis. If the position is filled on a permanent basis by another person, such employee shall return to the employee's previous position without loss of benefits.

(c) Each college or the University, as the case may be, will make a good faith effort to comply with provisions of (a) above. The failure of any college or of the University, as the case may be, to announce position

vacancies or otherwise to follow procedures in (a) above, or the failure of individual professional employees to be made aware of such announcements or to file an application for vacant positions as provided in (a) above shall not affect or operate to invalidate any promotion or appointment to such vacant positions nor shall anything contained herein be construed to require a college or the University to make promotions or appointments from among professional employees presently employed by the University.

(2) Present Position

(a) Any employee who meets the criteria defined in Section III, Paragraph D(1) may apply for promotions of the type defined in Section II, Paragraph C(2) provided that the employee first has requested a recommendation for such a promotion from the employee's immediate supervisor and the request has been denied at an organizational level below that of the college president.

Application for promotion must be made by completing forms to be provided by the University and submitting them to the College Review Panel.

(b) The Panel shall review all such applications for promotion. If it determines that the increase or change in duties and responsibilities under consideration does not warrant promotion, the Panel shall notify the employee. Further appeal from such determination of the College Review Panel shall not be permitted.

If the Panel determines that the increase or change in duties and responsibilities under consideration warrants promotion, it shall forward its recommendations to the college president. A copy of such recommendation shall be sent to the applicant. The decision of the college president shall be rendered within 90 calendar days. In the event a decision is not issued within the 90 calendar day period, the College President shall be deemed to have denied the request for purposes of the employee's right to file an appeal to the University Review Board. Such decisions shall be final, provided, however, that a decision by the college president which is claimed by the applicant to be arbitrary or capricious may be appealed on such basis to the University Review Board by such person in accordance with appropriate provisions stated below. A copy of such appeal shall also be sent to the college president. In the event of such appeal the college president may forward the President's recommendation to the University Review Board. A copy of such recommendation, if any, shall also be sent to the College Review Panel and the applicant.

(c) In considering appeals from decisions of the college president not to promote which decisions are claimed to be arbitrary and capricious, the University Review Board or its designee shall: review recommendations from the College Review Panel and college president; examine the duties, responsibilities, scope and complexity of the position involved; and determine by appropriate means and standards—which may include but not be limited to tests of internal and external consistency; desk audits; and other commonly accepted review methods—whether promotion is warranted. The University Review Board's decision shall be final.

(d) Applications for promotion which are disapproved may not be resubmitted for a period of either eighteen (18) months, or until the employee's performance program has been changed, whichever is sooner, following a disapproval by the College Review Panel, by the president—or if an appeal is taken to the University Review Board—by that Board.

IV. Salary Increase

An employee who has been assigned a permanent and significant increase in duties and responsibilities as demonstrated by the employee's performance program may apply for a salary increase provided that the employee first has requested a recommendation for such a salary increase from the employee's immediate supervisor and been denied at an organizational level below that of the college president. Application for a salary increase must be made by completing forms to be provided by the University to which are attached the current performance program and the next most recent performance program and submitting them to the College Review Panel.

The Panel shall review all such applications for salary increase submitted in accord with these guidelines. If it determines that the increase or change in duties and responsibilities under consideration does not warrant a salary increase, the Panel shall notify the employee, college president and immediate supervisor. Further appeal from such determination of the College Review Panel shall not be permitted.

If the Panel determines that the increase or change in duties and responsibilities under consideration warrants a salary increase, it shall forward its recommendations to the college president.

A copy of such recommendation shall be sent to the applicant.

The decision to provide a salary increase is within the discretion of the college president and the college president's decision shall be final.

V. Notwithstanding anything contained herein a college president may:

A. with respect to the type of promotion defined in Section II, Paragraph C(2), promote or recommend for promotion, as the college president's scope of authority permits, any professional employee on the campus; and

B. make upward adjustments in the salary of individual employees. August 8, 1989

APPENDIX A-29

TO: Presidents, State-operated Campuses

FROM: Donald G. Dunn

SUBJECT: Compensatory Time Off

During negotiations for the 1995-99 Agreement, the parties agreed to place their existing understandings regarding compensatory time off in an appendix to the Agreement. Those understandings are contained in a series of memoranda promulgated by the University following discussions with UUP or its predecessor in interest beginning in 1972 and thereafter updated and reissued in 1983, 1987 and 1992. This memorandum is intended to summarize and consolidate the currently applicable provisions of those memoranda, but is not intended to alter the understandings of the parties with respect to compensatory time. These source documents should be consulted in the event that further clarification is required on any specific matter.

The first type of compensatory time is accorded under Subdivisions 23.5(b), (c) and (d) of the State-UUP Agreement. An employee eligible to observe holidays but who is required to work on a holiday is entitled to a compensatory day off when the holiday falls on a Saturday, a Sunday, or a pass day; provided, however, that an employee who is eligible to observe Thanksgiving or Christmas is entitled to one and one-half compensatory days off for working each of those holidays. Holiday compensatory days off are used within one year of accrual at times mutually convenient to the employee and the University, or they are forfeited as provided in Article 23.5(d).

A second type of compensatory time is accorded to those managerial and professional employees whose service exceeds their normal professional obligation. It should be noted that this situation arises when that work does not fall within the definition of extra service. Such additional efforts should be recognized by "compensatory" time off at a later date. This compensatory time should be scheduled at a mutually convenient time to the employee and the University. This type of compensatory time has been in place within the University since the June 21, 1972 Memorandum to Presidents on the subject from Ken-

neth MacKenzie, which provided: No member of the professional staff (with the exception of non-exempt employees under the Fair Labor Standards Act) is eligible for payment of overtime. Thus, for example, additional payment to an associate dean for evening or weekend service is not possible. If such service is required by the Chief Administrative Officer, it should be officially recognized by compensatory time off at a later date.

There also has been a concern that employee absences due to use of compensatory time (other than holiday compensatory time referred to in Section 23.5 of the Agreement) be reconciled with required attendance reporting. This may be done by making available the following model form designed for use by employees and their supervisors regarding the use of such time.

TO: Professional Employee

FROM: Immediate Supervisor

SUBJECT: Compensatory Time for Service Exceeding Normal Professional Obligation

This memorandum shall confirm our mutual agreement that you will not be reporting to your work station on (DATE) for the full time that office is normally open. The use of this time is in recognition of the services you have performed beyond your normal professional obligation as provided for under this memorandum. For attendance purposes, you are regarded as having been present on that date sufficient to meet your required professional obligation.

APPENDIX A-30

Dr. William E. Scheuerman, President
United University Professions

Dear Dr. Scheuerman:

This is to confirm our mutual understandings with respect to certain issues pertaining to part-time academic employees.

The University shall instruct campuses to appoint part-time term faculty to full-year appointments where they are in a position to do so. This would be possible, for example, in instances where such faculty have been employed for consecutive semesters for several years and are expected to continue in this capacity. Article XI, Title D §2(b)(1) of the Policies of the Board of Trustees provides that part-time employees who have been granted a term appointment, but for whom classroom enrollment proves inadequate, shall have no further right to salary or benefits and this provision remains applicable to these appointments.

The University shall encourage campuses to provide support services and facilities needed by part-time faculty in conjunction with the performance of their professional obligation. Examples of such support services and facilities would include office space, access to telephones, photocopying and secretarial services.

The University shall instruct each campus to publish whatever hiring procedures it has in place for filling part-time faculty vacancies. A description of these procedures should be included in any information that is distributed or displayed regarding recruitment or hiring. A copy shall also be provided to the local chapter of UUP. Campuses are not required to create such procedures, but rather to disseminate those that already exist. It is intended that such campus action be taken within six (6) months of the formal execution of the Agreement.

Sincerely,

s/Linda Angello, Director
Governor's Office of Employee Relations

s/William E. Scheuerman, President
United University Professions

APPENDIX A-31

Dr. William E. Scheuerman, President
United University Professions

Dear Dr. Scheuerman:

During the course of negotiations, specific compensation issues were identified by UUP that were of such significant concern that review at the Executive level is required.

No later than six months after a fully-executed agreement, the Director of the Governor's Office of Employee Relations and the President of United University Professions shall meet to develop and implement procedures for review on these issues.

Topics that have been specifically cited for review include:

The University's ability to retain and recruit a highly qualified workforce in the context of national market conditions.

The presence of structural inhibitors, if any, including campus type, to an equitable salary plan.

The agreement to review these issues in the labor-management forum does not constitute a waiver of any management or union right or prerogative.

Sincerely,

s/Linda Angello, Director
Governor's Office of Employee Relations

s/William E. Scheuerman, President
United University Professions

APPENDIX A-32

Dr. Frederick E. Kowal, President
United University Professions

Dear Dr. Kowal:

During the course of negotiations, certain issues related to professionals were raised by UUP that were of such significant concern that review at the Executive level is required. On a date as soon as practicable but no later than six months after the execution of the Agreement, and agreeable to the parties, the Executive Committee shall convene to discuss and review issues of mutual interest pertaining to professional employees.

The first category of issues to be addressed by the Committee shall be with regard to Information Technology, including but not limited to titles and title families. Specifically, management has agreed to review issues raised by UUP that are contained in the UUP document entitled A-32 Survey: SUNY Information Technology Titles, related to a review of IT titles and title structure.

The agreement to review these issues in this forum will not constitute a waiver of any management or union right or prerogative.

Sincerely,

s/Michael N. Volforte, Director
Governor's Office of Employee Relations

s/Frederick E. Kowal, President
United University Professions

APPENDIX A-33

Dr. Frederick E. Kowal, President
United University Professions

Dear Dr. Kowal:

During the course of negotiations, the parties discussed issues related to the designation of essential and non-essential employees.

At the start of the academic year, each campus shall identify which employees are anticipated to be

essential during an emergency or extraordinary circumstance and such identification as essential should be clearly communicated to affected employees. In addition to the initial identification of essential service employees, the campus has the ability to exercise its discretion to determine who is essential and must report to work based upon the specific emergency or extraordinary circumstance. In general, essential employees shall be those employees whose duties include: continuing care and/or safety of patients, students, property or animals; maintaining mission critical systems; or emergency response, relief and recovery.

Sincerely,
s/Michael N. Volforte, Director
Governor's Office of Employee Relations

s/Frederick E. Kowal, President
United University Professions

APPENDIX A-34

Dr. William E. Scheuerman, President
United University Professions

Dear Dr. Scheuerman:

During the course of negotiations, issues were raised by UUP that were of such significant concern that review at the Executive level is required.

No later than six months after a fully executed agreement, the Director of the Governor's Office of Employee Relations and the President of United University Professions shall meet to establish procedures for review.

Among the topics that have been specifically cited for review is exploration of the use of dedicated recognition devices for safety and health and other programmatic purposes and electronic record-keeping.

The agreement to review these issues in the labor-management forum does not constitute a waiver of any management or union right or prerogative.

Sincerely,
s/Linda Angello, Director
Governor's Office of Employee Relations

s/William E. Scheuerman, President
United University Professions

APPENDIX A-35

Dr. Frederick E. Kowal, President
United University Professions

Dear Dr. Kowal:

During the course of negotiations, the parties discussed whether notices of interrogation should be placed in an employee's official personnel file.

It is agreed by and between the parties that written communication requiring an employee to attend a disciplinary interrogation shall not be placed in an employee's official personnel file at the time it is sent to the employee. Such document shall instead be maintained as separate and confidential until the President, or designee, has made a determination regarding formal discipline pursuant to Article 19 (Discipline) of the Agreement between the State and UUP.

If the President, or designee, does not initiate formal discipline, such correspondence shall never be placed in the official personnel file. If the President proceeds with formal disciplinary action, such document may be placed in the official personnel file as official correspondence.

Sincerely,
s/Michael N. Volforte, Director
Governor's Office of Employee Relations

s/Frederick E. Kowal, President
United University Professions

APPENDIX A-36

Dr. Frederick E. Kowal, President
United University Professions

Dear Dr. Kowal:

During the course of negotiations, the parties discussed the campuses' obligation to indefinitely maintain a counseling memorandum in an employee's official personnel file. It is recognized that management may remove such document(s) from the official personnel file at any time. Specifically, the parties discussed removal of a counseling memorandum where such document has been on file for a period of three or more calendar years and there have been no subsequent event(s) that would cause campus management to believe that the continued retention of such memorandum is necessary.

The purpose of this letter is to encourage the campuses to remove the counseling memorandum from an employee's personnel file where:

1. The employee submits a written request specifically identifying the counseling memorandum the employee desires to be removed from their official personnel file; and,
2. Such counseling memorandum has been in the official personnel file for a period of three or more calendar years; and,
3. There have been no event(s) subsequent to the issuance of such counseling memorandum which would cause campus management to believe that continued retention of such counseling memorandum is necessary for personnel administration purposes.

Sincerely,

s/Michael N. Volforte, Director
Governor's Office of Employee Relations

s/Frederick E. Kowal, President
United University Professions

APPENDIX A-37

Dr. William E. Scheuerman, President
United University Professions

Dear Dr. Scheuerman:

Challenges facing medical school teaching hospitals nationally suggest that a review of the structure of the SUNY hospitals at the Executive level is required.

No later than six months after a fully executed agreement, the Director of the Governor's Office of Employee Relations and the President of United University Professions shall meet to develop and implement procedures for review of the SUNY hospital structure.

The agreement to review these issues in the labor-management forum does not constitute a waiver of any management or union right or prerogative.

Sincerely,

s/Linda Angello, Director
Governor's Office of Employee Relations

s/William E. Scheuerman, President
United University Professions

APPENDIX A-38

Dr. William E. Scheuerman, President
United University Professions

Dear Dr. Scheuerman:

Solely as a matter of computational convenience for purposes of creating a schedule for accruing and using leave under Article 23 for part-time professional employees; part-time academic employees whose professional obligations, as determined by the President, are primarily other than teaching; and full-time

employees whose assigned daily professional obligation varies in length during the course of the work week, the parties have defined a “day” as eight hours. This definition is not intended by either party to have any wider application than the specific and limited use in Article 23 and does not reflect any agreement or acknowledgement by either party as to the length of a workday.

Sincerely,

s/Linda Angello, Director
Governor’s Office of Employee Relations

s/William E. Scheuerman, President
United University Professions

APPENDIX A-39

Dr. William E. Scheuerman, President
United University Professions

Dear Dr. Scheuerman:

This will confirm our mutual understanding with respect to positive assurance audits raised during negotiations for this collective bargaining agreement. The parties agree that the Governing Board will secure an annual positive assurance audit. The parties intend that such audits should not exceed by more than 15 percent the cost of a comparable attestation audit. At the beginning of each audit cycle and at the request of the Governing Board, representatives of the System Administration Comptroller will be available to meet with the auditor selected by the Governing Board or designee to ensure that the cost of the positive assurance audit will be as described above.

Positive Assurance will be applied against the following Policy provisions:

Compliance with maximum allowable compensation limits pursuant to Article XVI §4(f);

Participation in the Plan pursuant to Article XVI §4(b); and Disbursement of Clinical Practice Income pursuant to Article XVI §4(g).

A report on the revenues and expenditures of the CAO’s fund and remainder fund shall be given to the Clinical Practice Governing Board annually.

Sincerely,

s/Linda Angello, Director
Governor’s Office of Employee Relations

s/William E. Scheuerman, President
United University Professions

APPENDIX A-40

MEMORANDUM OF UNDERSTANDING ON CLINICAL PRACTICE CENTRALIZED BILLING

General Provisions:

Centralized billing shall be instituted only by the individual health sciences center, not by SUNY, except pursuant to Chancellor’s authority in Article XVI, §4, subdivision (d) of the Policies of the Board of Trustees in the event the plans are not operated in compliance with the provisions of that subdivision.

Centralized billings and collections for physician services shall be performed only by an agent or agents chosen by the Governing Board of the Clinical Practice Plan (CPGB) or designee at the health sciences center at which a centralized billing system is instituted; provided, however, if no such agent is chosen within six months of the decision to convert to centralized billing, the Chief Administrative Officer (CAO) may select a billing agent.

The organization of group clinical practices at a health sciences center shall not be affected by whether billing is at the department level or centralized.

All clinical practice income collected through a centralized billing system shall remain the property of the department that provided the services until disbursed in accordance with Article XVI and department, CPGB and IRS guidelines.

Procedures for changing to a centralized billing system:

The CPGB may institute centralized billing at any time it deems centralized billing to be in the best interests of the Clinical Practice Plan.

If the CAO or designee believes that a centralized billing system may be in the mutual best interests of the Health Sciences Center and the Clinical Practice Plan, the CAO may propose such a system to the CPGB.

The CAO's Proposal shall include justification for centralized billing, including the reasons for and the anticipated outcomes of such a system, the costs of the proposed system and the costs of transitioning from departmental to centralized billing including, but not limited to, any anticipated cash flow delays or loss of revenues due to the changing of billing systems. The CAO's proposal shall also include an impact statement for the clinical practice plan as a whole and impact statements for each affected department.

The CPGB and the CAO shall be given full access to any and all information and data relevant to the proposal and its impact.

The CPGB shall be given not less than six months to investigate, consider and debate the desirability of instituting a centralized billing system and to discuss with the CAO the need for and impact of such a system; except if the reason given by the CAO is insuring compliance with federal billing requirements as provided hereinafter, the CPGB shall be given not less than three months. Provided, however, nothing contained in this memorandum will prevent the University and the clinical practice plans from immediately complying with a federal or state (external to SUNY) imposed compliance plan, performance standard or other requirements established by the Department of Health and Human Services.

If, after such a period of discussion, the CPGB does not agree that a centralized billing system is justified but the CAO remains convinced that it is in the best interest of the clinical practice plan and the health sciences center, the CAO may impose a centralized billing system under the following conditions:

Upon a finding by the CAO that centralized billing is necessary to insure compliance with federal or state (external to SUNY) billing requirements or upon identification by internal auditors of a lack of compliance with state or federal billing requirements, or

Upon a finding by the CAO that significant savings to the clinical practice plan can be achieved by centralizing the billing system, or

Upon a finding by the CAO that centralized billing is necessary to facilitate billing for managed care contracts or other business agreements or ventures.

If centralized billing is imposed by the CAO, the design, structure, and function and the agent selected to do the billing remain under the control of the CPGB; provided, however, in the event the CPGB decisions regarding design, structure and function have not been resolved within three months in the case of non-compliance with billing requirements as outlined above, or six months in other cases, the CAO may establish design, structure, function and agent on a transitional basis pending CPGB action. The day-to-day management of the centralized billing system shall reside with the CPGB or designee.

The CAO and the CPGB may, by written agreement, mutually agree to reduce or extend the time limits above.

All provisions of this MOU are subject to Article 7 of the Agreement.

APPENDIX A-41

Dr. Frederick E. Kowal, President
United University Professions

Dear Dr. Kowal:

This letter confirms our mutual understanding regarding the development of guidelines and methodology for a salary equity study to be conducted at each campus and addressed with discretionary salary increases during the 2016-2022 Agreement.

As soon as practicable, but no later than three months following ratification, the Director of the Gover-

nor's Office of Employee Relations, the President of United University Professions and the Chancellor of the State University of New York, or their designees, shall convene at the executive level to review this issue.

The Executive Level Committee shall develop guidelines and methodology for analyzing salary compression and/or inversion at each campus utilizing multiple regression analysis and/or other appropriate methods. The campuses shall apply the developed guidelines and methodology to determine the extent to which salary compression and/or inversion exists at each campus. The results of each campus analysis shall be reviewed and considered by each College President in distributing discretionary salary increases for 2019-2022 to full-time and part-time employees to remedy identified compression and/or inversion. The adopted guidelines and methodology shall be applied to address equity issues at each campus separately, and base salary adjustments shall be made from available funding allocated to each campus.

Following each year in which equity adjustments are distributed to employees, the Executive Level Committee may reconvene to discuss matters of mutual concern pertaining to the implementation of the guidelines and methodology established by the Executive Level Committee.

Sincerely,

s/Michael N. Volforte, Director
Governor's Office of Employee Relations

s/Frederick E. Kowal, President
United University Professions

APPENDIX A-42

Dr. Fredrick E. Kowal, President
United University Professions

Dear Dr. Kowal:

During the course of negotiations, the parties discussed the matter of employees attempting to balance the demands of work and the impact of family responsibilities. These sometimes conflicting responsibilities impact employees throughout their entire career cycle and may differ widely from employee to employee. These issues range from child-rearing and child care to care of sick and disabled family members, including elders, or assisting family members when deployed abroad for military service. Employees are often confronted with the need to balance the many, and sometimes competing, priorities of their employment and personal lives.

While maintaining SUNY's level of excellence and competitiveness in higher education, we should also be aware of the need to find balance between personal/family life and professional life. A culture of supporting employees in a manner consistent with their employment obligations when the responsibilities of family life are particularly demanding may help employees balance their work/life commitments. Campuses are encouraged to recognize the importance to employees of a flexible approach to accommodating family care needs. Options may include the following: flexible work schedules, modified duties, alternative work assignments, and temporary reduction from full-time to part-time work.

What follows is a listing of potential options for consideration by labor and management in attempting to address such situations as they arise. These brief descriptions are not intended to modify the language, meaning or operation of any law, rule, regulation, policy, procedure or provision of the Agreement. In all cases, the original source, many of which can be located through the sites noted herein or in A-18, should be examined closely.

I. Unpaid Leave under the Family and Medical Leave Act

Full-time and part-time employees who meet eligibility criteria under the Family and Medical Leave Act ("FMLA") may take up to 12 workweeks of unpaid, job-protected leave during a 12-month period for the birth of a son or daughter*, and to care for the newborn child; for placement with the employee of a son or daughter for adoption or foster care; to care for the employee's spouse, son, daughter or parent with a

serious health condition; because of a serious health condition that makes the employee unable to perform the functions of the employee's job; and because of any "qualifying exigency" arising out of the fact that the employee's spouse, son, daughter, or parent is on "covered active duty" in the military. Eligible employees may be entitled to take up to 26 workweeks of unpaid leave during a single 12-month period to care for a family member who is a "covered service member" with a serious injury or illness. During FMLA leave, health insurance must be maintained if the employee continues to pay the employee share of the health insurance premium.

*Son or daughter as defined by the Family and Medical Leave Act

II. Use of Leave Accruals to Retain Pay during FMLA Leave

Pregnancy

Pregnant employees may be asked or encouraged to report the existence of pregnancy, but they may not be required to do so. Where, in the opinion of the Chief Administrative Officer or designee, the nature of the duties performed may be particularly hazardous or burdensome during pregnancy, this should be pointed out in the letter of appointment and such employees should be urged to advise their supervisors of any pregnancy. In any case where the Chief Administrative Officer or designee believes the employee is unable to perform the duties of the position because of pregnancy, the employee may be required to undergo a medical examination, at the expense of the campus, by a physician designated by the campus. A pregnant employee who is determined to be medically disabled from the performance of job duties must be treated the same as any other employee similarly disabled insofar as disability leave benefits are concerned.

Sick leave may be used only during a period of medical disability. Under this policy, disabilities arising from pregnancy or childbirth are treated the same as other disabilities in terms of eligibility for or entitlement to sick leave with and/or without pay and extended sick leave.

Generally, the period of such disability is deemed to commence approximately four weeks prior to delivery and to continue for six weeks following delivery. While doctor's certificates may be required for any period of disability, campuses should request detailed medical documentation whenever disability is claimed to commence prior to or to extend beyond the period of disability described above.

A Chief Administrative Officer or designee may approve an employee's request for leave without pay during pregnancy and prior to the onset of any medical disability as a matter of discretion. Absences during pregnancy and following childbirth may be charged to vacation, irrespective of whether the employee is disabled. While the use of annual leave prior to the onset of medical disability is discretionary with the Chief Administrative Officer, employees must be permitted to use these accruals during a period of medical disability after sick leave with pay has been exhausted.

Care of Sick Family Members

In order to retain pay during a period of designated FMLA leave, employees may use up to 30 days of accrued sick leave per contract year to care for the employee's spouse, son, daughter or parent with a serious health condition, or a family member who is a "covered service member" with a serious injury or illness.

Adoption or Foster Care

In order to retain pay during a period of designated FMLA leave, employees may use up to 15 days of accrued sick leave per contract year for the placement with the employee of a son or daughter for adoption or foster care after arrival in the family home. If eligible and prior approval has been obtained, employees may also use vacation leave.

III. Death of a Family Member

Up to 30 days of accrued sick leave may be used for the death of a family member.

IV. Leave Donation Program

Employees who, because of a long-term illness, have exhausted all of their leave benefits as provided for in Article 23.2, 23.4, and 23.5 of the Agreement between the State and UUP may be eligible for donation of leave credits from other New York State employees (see Appendix A-45).

V. Seven-Month Child Care Leave Period

Employees, regardless of gender, are entitled to leave without pay for child care for up to seven months following the date of delivery or adoption under Article 7 of the Domestic Relations Law. However, as provided by Article 23.13 of the Agreement, where the child is required to remain in the hospital following birth, the seven-month mandatory child care leave shall, upon employee request, commence when the child is released from the hospital. If a child is required to be admitted to a hospital for treatment after child care leave has commenced, upon employee request, child care leave shall be suspended during a single continuous period of such hospitalization and that period shall not count toward calculation of the seven-month period. In such cases, any entitlement to mandatory child care leave expires one year from the date the child care leave originally commenced.

For purposes of computing the seven-month period of mandatory leave, periods during which the employee was absent for “disability” or use of leave credits are included: the mandatory seven-month period is not extended by the granting of disability leave or the use of accrued leave. During a period of leave for child care, employees shall be permitted, upon request, to use annual leave before being granted leave without pay. As is the case with other mandatory leaves without pay (e.g., military leave), the University shall not require that employees exhaust all appropriate leave credits prior to being granted leave without pay for child care. Sick leave may be used only during a period of medical disability. Except in the case of continuing medical disability, or utilization of New York State Paid Family Leave, any leave of absence beyond the seventh month following childbirth shall be at the discretion of the Chief Administrative Officer. An employee who requests a leave for child care of less than seven months is entitled to have such leave extended, upon request, up to the seven-month maximum and may at the discretion of the Chief Administrative Officer or designee, have such leave extended beyond the seventh month. In certain situations, an employee may not be permitted to return from such leave until the expiration of the period that such employee requested and was granted. Generally, such restrictions on early return are limited to situations where such return would be disruptive of a project or where the termination of a replacement would occur.

During the seven-month period following childbirth, the granting of leave for child care is mandatory upon request from either parent. If both parents are State employees, leave for child care is mandatory for one parent at a time and the parents may elect to split the mandatory seven-month leave into two separate blocks of leave with each parent entitled to one continuous period of leave but not to exceed a combined total of seven months of leave and not to extend beyond seven months from the date of delivery.

Campuses may, in their discretion, approve other arrangements for shared leave including concurrent leave and may, as a matter of discretion, extend leave for child care beyond the mandatory seven months.

Furthermore, while one parent is absent on leave for child care, campuses continue to have the discretion to approve requests from the other parent for periods of vacation, pursuant to Paragraph 23.2(e) of the Agreement between the State of New York and United University Professions.

Temporary and probationary employees without any permanent status are entitled to leave with full pay and/or without pay as described above. However, these employees are not eligible for leave beyond that date when their employment would otherwise terminate. In general, the State’s policy on leave for pregnancy, childbirth and child care shall not be construed to require extension of any employment beyond the time it would otherwise terminate (see Article 23.13 of the State/UUP Agreement).

VI. New York State Paid Family Leave

Effective beginning January 1, 2019, full-time and part-time employees who meet the eligibility criteria for New York State Paid Family Leave (PFL) have the right to take partially paid leave, without charge to leave credits, to bond with the employee's biological, adopted, or foster child; to participate in providing care, including physical or psychological care, to a family member (child, grandchild, parent, grandparent, spouse, or domestic partner) with a serious health condition; or to attend to obligations arising because a family member (spouse, domestic partner, child or parent) is deployed abroad in active military duty or has been notified of an impending military deployment abroad (a qualifying exigency). Health insurance must be maintained while an employee is out on PFL so long as the employee continues to pay the employee share of the health insurance premium.

PFL Benefits Levels

Effective January 1, 2019, an eligible employee may receive up to 10 weeks of paid family leave in a 52-week period at 55 percent of the employee's average weekly wage, not to exceed 55 percent of the NYS Average Weekly Wage (SAWW). In subsequent years, the number of weeks and the amount of payment an employee may receive shall be in accord with the statutory entitlement in effect.

Use of PFL

PFL may be taken in full-day increments on either a continuous or intermittent basis. PFL time to bond with a new child may be taken at any time during the first 12 months after the child's birth or placement in the home. PFL time may also be taken on days the employee will be providing care for a qualifying family member with a serious health condition or assisting a qualifying family member who has been or is being deployed abroad for active military duty.

An employee taking time off to bond with a child or care for a qualifying family member may elect either to receive full pay by charging available leave credits as appropriate and approved in accordance with Article 23 of the State/UUP Agreement OR receive the statutory PFL benefit and not charge accruals. However, an employee may not use both PFL and leave accruals on the same day. The employee has the choice of either option (charging appropriate accruals or submitting a claim for PFL) on any given day. Time charged to leave credits will not count against an employee's annual PFL entitlement (see Article 23.14 of the State/UUP Agreement).

VII. Other Leave Options

Under Article XIII, Title F of the State University of New York Policies of the Board of Trustees, leaves of absence at full salary, reduced salary, or without pay may be granted at the discretion of the campus president.

VIII. Voluntary Reduction in Work Schedule Program

The Voluntary Reduction in Work Schedule program provides a way for UUP members to reduce their work schedules for a planned family care event by "banking" income/leave credits during a period of full-time work. The leave credits can then be used in order to retain health insurance coverage during a leave period that would otherwise have been an unpaid leave (see Appendix A-46 of this Agreement).

IX. Options to Stop the "Tenure" Clock

Employees are entitled to a mandatory "tenure" (continuing or permanent appointment) clock stop without change in rank or title, at the employee's request following child birth, adoption or foster placement as follows:

- Academic employees with an academic-year obligation shall be entitled to a tenure clock stop for either one or two semesters.

- Academic employees with a calendar-year obligation shall be entitled to a tenure clock stop for either six months or 12 months.
- Professional employees shall be entitled to a “tenure” clock stop for up to the length of the employee’s family leave associated with child birth, adoption or foster placement.

Written requests for clock stops within these parameters shall be approved for the time requested. (See Policies of the Board of Trustees, Article XI, Title B, Section 3(d)(3) and Title C, Section 4(3)(c) respectively).

Academics and Professionals can request to stop the “tenure” clock for periods of time beyond that discussed above by requesting a qualified academic rank or a qualified professional title for a pre-defined period. (See the Policies of the Board of Trustees, Article II(k) and (p) respectively).

X. New York State Work-Life Services Programs

New York State and its public employee unions have built a comprehensive network of resources and services to address life issues and the need to balance work and family responsibilities. They cover life planning tools, services to address personal concerns and problems, and pre-tax savings plans for specific needs such as child care, elder care, disabled dependent care, health care, and certain commuting expenses. Programs include the Employee Assistance Program (EAP), the Dependent Care Advantage Account, the Health Care Spending Account, NYS-Ride, child care centers on SUNY campuses, wellness programs, and pre-retirement seminars. For detailed information visit NYS Work-Life Services at www.worklife.ny.gov.

APPENDIX A-43

Dr. William E. Scheuerman, President
United University Professions

Dear Dr. Scheuerman:

This letter shall confirm our mutual understanding regarding the existing laws, rules, regulations, policies, procedures and practices for offsetting outside earnings in grievance and disciplinary arbitrations that award back pay to a grievant. Where an arbitrator awards back pay, the parties acknowledge their mutual understanding that there are withholdings and offsets from such award. In addition to withholdings for such items as taxes, social security, and other contributory items, there is an offset for outside earnings. The offset for earnings pertains to unemployment compensation received during the period of the suspension, as well as monetary compensation received from outside employment; the latter is limited to that earned during those hours that would otherwise have been encompassed by the employee’s professional obligation absent the suspension.

Sincerely,

s/George Madison, Director
Governor’s Office of Employee Relations

s/William E. Scheuerman, President
United University Professions

APPENDIX A-44

Dr. Frederick G. Floss, Acting President
United University Professions

Dear Dr. Floss:

This letter confirms the understandings reached by the parties during negotiations of the 2007-2011 State/UUP Agreement on the subject of a pre-tax transportation benefit pursuant to Internal Revenue Code, 26 U.S.C. §132 and related regulations. Such a benefit provides employees an opportunity to pay

for expenses incurred in commuting between work and home.

As a result of the successful pilot program for State employees in the New York City metropolitan area, the State agrees to expand Statewide the benefits, terms, and conditions that currently exist in said pilot program. Such expansion would provide those employees not currently eligible due to their work location the ability to use this pre-tax salary deduction program for commuting costs incurred through the use of mass transit.

The State further agrees, upon ratification of the Agreement, to make enrollment in this program available within six (6) months from the date of ratification.

Sincerely,

s/Gary Johnson, Director
Governor's Office of Employee Relations

s/Frederick G. Floss, Acting President
United University Professions

APPENDIX A-45 Leave Donation Program

I. Program Description

This Appendix describes the Leave Donation Program applicable to employees of the United University Professions bargaining unit. The intent of the Program is to assist employees who, because of long term illness, have exhausted all of their leave benefits as provided for in Article 23.2, 23.4 and 23.5 of the Agreement between the State and UUP and are subject to a severe loss of income during a continuing absence from work.

Provisions governing donation of leave credits across agency lines by employees other than family members are no longer a pilot program. Detailed guidelines on Program administration are contained in the New York State Department of Civil Service Attendance and Leave Manual Appendix H.

II. Eligibility Criteria—Donors

In order to donate leave credits, employees must meet the following eligibility requirements:

- be UUP represented employees who are calendar year or college year employees eligible to accrue vacation leave credits pursuant to Article 23.2 of the Agreement.
- make donations from vacation leave only.
- have a minimum vacation balance of at least 10 days after making the donation.

III. Eligibility Criteria—Recipients

In order to receive donated leave credits, employees of this Unit must meet the following eligibility requirements:

- be a calendar year, college year or academic year employee eligible to earn leave credits.
- be absent due to a non-occupational personal illness or disability for which medical documentation satisfactory to management is submitted as required.
- have exhausted all leave benefits as provided in Article 23.2, 23.4 and 23.5 of the Agreement.
- be expected to be absent for at least two biweekly payroll periods following exhaustion of all leave benefits as provided in Article 23.2, 23.4 and 23.5 of the Agreement.
- not have had any disciplinary actions, or unsatisfactory performance evaluations within their last three years of State employment.

IV. Donations to and from Employees in Other Units

The following provisions allow for UUP represented employees to participate in the voluntary donation or receipt of accrued vacation credit with other bargaining units or M/C employees:

- Vacation credits may only be donated, received, or credited between employees who are deemed eligible to participate in an authorized leave donation program, provided that there are simultaneously

in effect a Leave Donation Exchange Memorandum of Agreement between the Governor's Office of Employee Relations and the employee organizations representing both the proposed recipient and the proposed donor, or applicable attendance rules for managerial or confidential employees, that authorize such donations.

- Donations are governed by the provisions of the program applicable to the donor; receipt, crediting and use of donations are governed by the provisions of the program applicable to the recipient.

V. Restriction on Donations

- Donations made across agency lines shall be used prior to donations made within the State University.
- Unused donations made across agency lines are not returned to the donor while unused donations made within the agency are returned to the donor.

- An employee's continuing eligibility to participate in the program will be reviewed at least every 30 days.

- Donors must retain a minimum balance of at least 10 days of vacation leave standing to their credit after making a donation.

- Donations must be made in full-day units.

- Donors cannot donate vacation that they would otherwise forfeit.

VI. Use of Donated Credits

- Donations can be used in full or half-day units upon exhaustion of all leave benefits as provided in Article 23.2, 23.4 and 23.5 of the Agreement between the State and UUP and prior to attaining eligibility to receive disability benefits under the University's Group Disability Insurance Program as specified in Section 23.8 of the Agreement.

- Employees who are not covered by the University's Disability Insurance Program as specified in Article 23.8 may use donated credits in either full or half-day units.

- After attaining eligibility to receive disability benefits in accordance with Article 23.8, but prior to receipt of such benefits, donated credits may be used in full-day units only. Once an eligible employee begins receiving disability benefits under the University's Disability Insurance Program, donated credits may no longer be used.

VII. Solicitations

- The employee, co-workers or local union representatives may solicit donations; the employing campus may not solicit donations.

- Donor identity is kept strictly confidential.

VIII. Administrative Issues

- The Personnel/Payroll Office of the employing campus will be responsible for verifying medical documentation, reviewing eligibility requirements, approving and processing donations, confirming employee acceptance of donations, and transferring credits.

- Recipients do not earn leave credits while using donated credits.

- Employees can be terminated by operation of law, rule or regulation, even if they have received donations that would carry them on the payroll beyond the termination date. (Examples include retrenchment, non-renewal, termination of temporary employment, and termination under Article XIV, Title C of the Policies of the Board of Trustees.)

- The Program will not be subject to the parties' contractual grievance procedure.

- For purposes of this Appendix, family shall be defined as any relative or relative-in-law, regardless of place of residence, or any person with whom an employee makes his or her home.

APPENDIX A-46
VOLUNTARY REDUCTION IN WORK SCHEDULE PROGRAM GUIDELINES
State University Professional Services Negotiating Unit

Introduction

Voluntary Reduction in Work Schedule (VRWS) is a program that allows employees to voluntarily trade income for time off. The VRWS Program is available to eligible annual salaried employees in the State University Professional Services Negotiating Unit (PSNU).

Individual VRWS agreements may be entered into for any number of payroll periods up to a maximum of 26 biweekly pay periods in duration and must expire no later than the end of the last payroll period in the University fiscal year.

1. Purposes

- a. VRWS provides campuses a flexible mechanism for allocating staff resources.
- b. VRWS permits employees to reduce their work schedules to reflect personal needs and interests.

2. Limitations: Eligibility, Work Schedule Reduction

a. Eligibility: This program is available to certain full-time calendar year, college year and academic year employees in the PSNU. Eligibility shall be as described under the terms of the VRWS Program Guidelines. All of the following eligibility criteria shall apply:

1. Full-time employees are required to have a continuing, permanent, or term appointment and be employed to work on a full-time annual salary basis for a minimum of one biweekly payroll period immediately prior to the time of entry into the VRWS Program. Time on paid or unpaid leave from a full-time annual salaried position satisfies this requirement.

2. Employees must remain in a full-time continuing, permanent, or term appointment position during the term of the VRWS agreement.

3. Employees must have one continuous year of State University of New York (SUNY) service at a campus at which they are employed on a qualifying schedule (any schedule which entitled the employee to earn leave credits). Periods of leave without pay of any duration are not counted toward the one-year service requirement but do not constitute a break in service. Employees who separate from SUNY service (through resignation, termination, retrenchment, etc.) for more than one year cannot count service preceding that break in service toward the one year requirement. Authorized leave with pay under the SUNY Policies of the Board of Trustees will count toward the one-year service requirement, except leaves of absence for Title F leave or sabbatical leave immediately preceding a request for VRWS are not counted toward the one year service requirement since accruals are not earned during the leave period.

b. Work Schedule Reduction: Participating employees may reduce their work schedules (and salaries) a minimum of 5 percent, in 5 percent increments, up to a maximum of 30 percent.

3. Description of an Employee VRWS Agreement

a. The employee and management can establish a VRWS agreement on a University fiscal year basis of any number of payroll periods in duration from one to twenty-six. The VRWS agreement must expire no later than the last day of the last payroll period in the University fiscal year. The VRWS agreement must begin on the first day of a payroll period and end on the last day of a payroll period. VRWS ending balances must be segregated for each University fiscal year.

b. The employee develops and submits a plan for a reduced work schedule. Management reviews and approves the plan as long as it is consistent with operating needs.

c. A jointly agreed plan specifies:

i. Duration of VRWS agreement which may be up to a maximum of 26 biweekly payroll periods with the VRWS agreement expiring no later than the last day of the last payroll period in the University fiscal year.

ii. Percentage reduction of professional obligation and salary.
iii. Amount of VR credits to be earned in exchange for reduced salary.
iv. Schedule for use of VR credit to be earned. This may be either a fixed schedule, e.g., every Friday, every Wednesday afternoon, an entire month off, etc., or intermittent time off. An employee's fixed schedule of use of VR credits, once management has agreed upon the VR schedule, cannot be changed without the employee's consent except by mutual agreement in an emergency. VR credits used as intermittent time off will be subject to scheduling during the term of the VRWS agreement, and will require advance approval by the employee's supervisor.

d. While the VRWS agreement is in effect, the employee will earn and accumulate VR credits in accordance with the percentage reduction of professional obligation in a workweek, e.g., a 10 percent reduction will result in eight hours of VR credit earned each payroll period that the employee will charge in the future on his/her scheduled VR absences. If the employee's VR schedule calls for one-half day off every Friday afternoon, four hours of VR credits will be charged for each Friday. An employee whose VRWS agreement calls for a 10 percent reduction and taking an entire month off will work his/her full 40 hours each week, accrue eight hours of VR credit each payroll period, and have the accumulated VR credits to use during the approved VR absence. Solely as a matter of computational convenience for purposes of creating a schedule for accruing and using leave hereunder, a "day" is defined as eight hours. This definition is not intended to have any wider application and does not otherwise reflect any agreement or acknowledgment as to the length of a workday.

e. The employee never goes off the payroll. The employee remains in active pay status for the duration of the agreement and receives paychecks each payroll period at the agreed-upon, temporarily reduced level.

f. The employee will work a prorated share of his/her normal professional obligation over the duration of the VRWS agreement period.

g. Participation in the VRWS Program will not be a detriment to later career moves within the campus.

4. Attendance Records Maintenance

a. All VR schedules will be based on the crediting and debiting of VR credits on the employee's attendance record against a regular professional obligation.

b. VR credits earned during a VRWS agreement may be carried on the employee's attendance record past the end of the individual VRWS agreement and past the end of the University fiscal year but must be liquidated by the December 30th following the end of the University fiscal year in which the individual VRWS agreement expires. VR ending balances must be segregated for each University fiscal year.

c. There is no requirement that existing paid leave credits (including previously earned and banked VR credits) be exhausted prior to the beginning of the new VRWS agreement.

Employees are encouraged to use carried-over VR credits on a priority basis.

5. Advancing of VR Credits

To accommodate an employee whose VRWS agreement calls for an extended absence during the VRWS agreement period, a campus may advance VR credits in an amount not to exceed the number of hours for which the employee is paid in one payroll period.

6. Recovering a VR Credit Debit

If an employee terminates his/her employment and has a VR debit, the campus shall recover the debit from the employee's lagged salary payment for his/her last payroll period at work.

7. Effect on Benefits and Status

The effect of participation in the VRWS Program on benefits and status is outlined in Appendix A—Voluntary Reduction In Work Schedule Program Effect on Benefits and Status (attached).

8. Effect on Overtime Payment for Overtime Eligible Employees

Scheduled absences charged to VR credits are not the equivalent of time worked for purposes of determining eligibility for overtime payments at overtime rates within a workweek. For example, an employee who, under an 80 percent VRWS schedule, works four days, charges the fifth day to VR credits, and is called in to work a sixth day, will not be considered to have worked the fifth day and thus will not be entitled to overtime payments on the sixth day.

Similarly, VR credits earned, banked, and charged after the payroll period in which they are earned are not counted in determining eligibility for overtime in the workweek in which they are charged. Sections 135.2(h) and (i) of Part 135 of the Budget Director's Overtime Rules are waived to the extent necessary to permit payment of overtime compensation to overtime eligible employees who are participating in this Program.

9. Discontinuation or Suspension of VRWS Agreements

Although VRWS agreements are for stated periods of time, they can be discontinued by mutual agreement at the end of any payroll period. VRWS agreements may be discontinued, at management's discretion, when an employee is promoted, transferred or reassigned within a campus, although VR credits must be carried forward on the employee's attendance record.

VRWS agreements may also be discontinued when an employee moves between campuses.

10. Provisions for Payment of Banked (Unused) VR Credit in Exceptional Cases

The VRWS Program is intended to be a program that allows employees to voluntarily trade income for time off. The agreement for VRWS Program participation between the employee and management includes a plan for the use of VR credit earned. Management must make every effort to ensure that VR credit earned by an employee is used: (1) under the terms of the individual VRWS agreement, (2) before the December 30th liquidation date (see Section c.), (3) before the employee separates from SUNY service, and (4) while the employee is on the job he/she was in when the VRWS agreement was made. If this is not possible, payment for banked (unused) VR credit may be made in exceptional cases that fall under the following criteria:

a. Upon retrenchment, resignation, termination, or retirement from SUNY, or death, unused VR credit will be paid at the then current rate of compensation.

b. Upon movement of an employee to another state agency or from one campus to another or between campuses or departments within a campus, unused VR credit will be paid at the then current rate of compensation by the campus/department in which the VR credit was earned, unless the employee requests and the new campus/department accepts the transfer of the VR credit on the employee's attendance record. The lump sum payment for VR balances upon movement to another campus will be made irrespective of whether or not the employee is granted a leave of absence from the campus/department where the VR credit was earned. Payment will be made within two payroll periods following the move to the new campus.

c. VRWS ending balances must be segregated for each University fiscal year. Employees who accumulate VR credit in a University fiscal year and who are unable to use the VR credit due to management requirements predicated on workload by the December 30th following the end of the University fiscal year in which the employee's individual agreement expires will be paid at the then current rate of compensation. Payment will be made within two payroll periods following the applicable December 30th liquidation date. Requests for payment in the exceptional cases specified in this subparagraph, as distinct from those specified in subparagraphs (a) and (b) above, should be directed to SUNY System Administration Employee Relations—VRWS Program and will be decided on a case-by-case basis.

In all cases where payment for unused VR credit is made, notification of payment must be sent to SUNY System Administration Employee Relations—VRWS Program. Such notification must include date

of payment, circumstances of payment, employee's name, title, number of days of unused VR credit, and gross dollar amount of payment. In addition, campuses must certify that they have not already used these savings for replacement staff in other programs or, if they have, identify another funding source for the payment.

11. Review of VRWS Denials

a. Individual Requests

An employee whose request to participate in the VRWS Program has been denied shall have the right to request a written statement of the reason for the denial. Such written statement shall be provided within five working days of the request. Upon receipt of the written statement of the reason for the denial, the employee may request a review of the denial by the college president or designee. Such requests for review must be made, and will be reviewed, in accordance with the following procedure:

1. Requests must be submitted by the employee or the employee's representative within 10 working days of receipt of the written statement or of the date when the written statement was due.
2. Requests must be submitted to the official who serves as the college president or designee at Step 1 of the grievance procedure.
3. Such requests shall specify why the employee believes the written reasons for the denial are improper. The request must explain how the employee believes his/her work can be reorganized or re-assigned so that his/her participation in the VRWS Program will not unduly interfere with the campus's operations.
4. The college president or designee shall review the appeal and make a determination within 10 working days of receipt. The determination shall be sent to the employee and a copy shall be sent to the President of UUP. The determination shall be based on the record, except that the college president or designee may hold a meeting with the employee and/or the employee's supervisors if the designee believes additional information or discussion is required to make a determination. If the employee believes that there are special circumstances that make a meeting appropriate, the employee may describe these circumstances in addition to providing the information specified in paragraph 3 above, and request that a review meeting be held. The college president or designee shall consider such request in determining whether or not to hold a review meeting.
5. The determination of the college president or designee shall not be subject to further appeal.

b. When UUP alleges that a campus has established a practice of routinely denying employee applications to participate, this matter shall be an appropriate subject for discussion in a labor-management meeting at the appropriate level. Such labor-management discussions shall be held in accordance with the provisions of Article 8 of the State/UUP Agreement.

APPENDIX A

VOLUNTARY REDUCTION IN WORK SCHEDULE PROGRAM

Effect on Benefits and Status

Annual Leave—Prorate accruals for calendar year and college year employees based on the employee's VRWS percentage.

Banked (Unused) VR Leave Credits Upon Movement From One Campus to Another or Between Departments Within a Campus—Unused VR credits will be paid at the rate of compensation by the campus/department in which the VR credit was earned, unless the employee requests and the new campus/department accepts the transfer of VR credit on the employee's attendance record.

Banked (Unused) VR Leave Credits Upon Promotion, Transfer or Reassignment Within a Campus or Within a Department—Unused VR credits are carried forward on the employee's attendance record when movement is within an appointing authority. Continuation of the VRWS agreement is at the discretion of management.

Banked (Unused) VR Leave Credits Upon Return to Normal Work Schedule—VR credits may be carried forward on the employee's attendance record after completion of the individual VRWS agreement period, but must be liquidated by the December 30th after the end of the University fiscal year in which the employee's individual VRWS agreement expires. VR ending balances must be segregated for each University fiscal year.

Banked (Unused) VR Leave Credits Upon Separation—Unused VR credits will be paid at the rate of compensation upon resignation, termination, or retirement from SUNY service, or death.

Employee Benefit Fund—There is no effect.

Health Insurance—There is no effect. The employee retains full coverage.

Holidays—There is no change.

Inconvenience Pay—Prorate based on the VRWS percentage.

Leave Donation—Employees who are absent using donated leave credits for 28 consecutive calendar days will have their VRWS agreement suspended.

Location Pay—Prorate based on the VRWS percentage.

Military Leave—There is no impact on eligibility or entitlement.

Overtime Work—VR credit used shall not be counted as time worked in determining eligibility for overtime payments within a workweek. For non-exempt employees, VR credit shall not be counted as time worked for determining eligibility for comp time.

Paid Leave Balances on Attendance Record—There is no requirement that leave credits be exhausted prior to the beginning of the VRWS agreement. Vacation, sick leave, and holiday balances are carried forward without adjustment.

Payroll—The employee never leaves the payroll. An employee remains in full payroll status with partial pay for the duration of the VRWS agreement period and receives pay checks each pay period at the agreed upon temporarily reduced level.

Probationary Appointment—There is no effect. Scheduled non-work time under a VRWS agreement is not an absence for the purpose of extension of probationary appointment.

Retirement Benefit Earnings—Earnings are reduced based on the VRWS percentage.

Retirement Service Credit—Prorate based on the VRWS percentage for TRS and ERS only.

Retrenchment—There is no impact.

Return to Normal Work Schedule—An employee will return to his/her normal full-time work schedule and pay basis upon completion of the VRWS agreement period.

Sabbatical Leave—There is no impact if sabbatical leave is requested after participation in the VRWS agreement. If sabbatical leave coincides with the VRWS agreement, the VRWS agreement will be suspended.

Salary—Normal gross salary earned is reduced by the VRWS percentage. There is no effect on the basic annual salary.

Service Credit—There is no impact. An employee on VRWS is considered to be in full-time status for service credit purposes.

Sick Leave—Prorate accruals based on the employee's VRWS percentage. Employees on sick leave for 28 consecutive calendar days will have their VRWS agreement suspended and will be returned to their professional obligation and pay base.

Social Security—There is no change. The contribution rate is set by Federal Law and is applied to the salary that the employee is paid.

Title F Leave—There is no impact if Title F leave is requested after participation in the VRWS agreement. If Title F leave coincides with the VRWS agreement, the VRWS agreement will be suspended.

Unemployment Insurance—There is no change. The formula is set by statute.

Workers' Compensation Benefits—There is no impact on eligibility for entitlement to workers'

compensation benefits. Following 28 consecutive calendar days of absence due to a work related injury or illness, the VRWS agreement is suspended and the employee is returned to his/her normal full-time work schedule and pay base. At that point the employee receives workers' compensation benefits based on the normal full-time salary and no longer earns VR credits. Suspension of a VRWS agreement does not extend the agreement beyond its scheduled termination date. If an employee returns to work prior to the scheduled termination date of the VRWS agreement, the employee's participation in the VRWS agreement resumes and continues until the scheduled termination date, unless both parties agree to terminate the VRWS agreement.

APPENDIX A-51

Dr. Frederick E. Kowal, President
United University Professions

Dear Dr. Kowal:

This will confirm the mutual understandings reached by the parties during the negotiations for the 2016-2022 collective bargaining agreement regarding parking.

Due to the complexity of issues associated with pre-tax parking and the potential applicability to different employee groups, the parties agreed to continue engaging on this issue through a joint labor-management committee. Through this committee, the parties agreed to engage relevant stakeholders in the State, including the Division of the Budget and the Office of the State Comptroller, with the express goal of examining the legality, practicality and financial impacts of taking deductions for employer-provided parking on a pre-tax basis and making a recommendation to the President of UUP and the Director of GOER. Where the President and Director agree, those recommendations shall be implemented.

Additionally, the parties discussed the current benefits provided under the NYS-Ride Program which permits many State employees to save money on eligible transportation expenses through pre-tax payroll deductions and the opportunity for potential expansion of that program by permitting employees to pay for parking, not provided by the employer, on a pre-tax basis. The parties agreed to seriously explore the expansion of the NYS-Ride Program to include a pre-tax parking component that the parties determine is feasible, practicable and cost-effective in the context of the Work-Life Services Advisory Board.

Sincerely,

Governor's Office of Employee Relations

The State further agrees to make enrollment in this pre-tax program available as soon as practicable after ratification of the Agreement.

3. Labor-Management Minutes and Agreements

All labor-management committee meetings shall be conducted in good faith. These committees shall have no power to contravene any provisions of this Appendix or to agree to take any action beyond the authority of the management at the level at which the meeting takes place. Matters may be referred to and from the local and agency levels as necessary. The parties may issue joint meeting minutes and letters of understanding. Any arrangement which is mutually agreed upon at the local level shall be reduced to writing within fourteen calendar days and is subject to review and agreement by the Governor’s Office of Employee Relations and United University Professions. Any arrangement which is the subject of a memorandum of understanding, letter of understanding, or joint meeting minutes shall not be altered or modified by either party without first meeting and discussing with the other party at the appropriate level in a good faith effort to reach a successor agreement. Any alterations or modifications to a written local labor-management agreement as described in this section may occur no sooner than five days after such meeting and discussion and subsequent written notification of the changes received by the other party. Implementation of such alterations or modifications shall not occur without adherence to the procedures herein described. In cases where emergency conditions necessitate a variation of an established labor-management agreement by either party, the other party must be notified of such variation as soon as possible. Such variation will be reviewed by the designated union and management chairs of the local labor-management committee within seven days. Disagreements growing out of the implementation of memorandum or letters of understanding may be initiated at Step 3 of the grievance procedure as contained in Article 7, Grievance Procedure, of the Professional Services Negotiating Unit Agreement and will not be subject to arbitration.

4. Compensation

a. Employees eligible for an increase shall receive the following:

April 1, 2016 – 2.0%	April 1, 2019 – 2.0%
April 1, 2017 – 2.0%	April 1, 2020 – 2.0%
April 1, 2018 – 2.0%	April 1, 2021 – 2.0%

b. To be eligible for a retroactive increase, an employee must have been in employment status on the effective date of the hourly wage rate increase or during a season that commences during the fiscal year that includes the effective date of an hourly wage rate increase and must be in employment status on April 1, 2018, or during a season that commences the fiscal year that includes April 1, 2018.

c. The percentage increases in 4(a) shall be applied to the hourly wage rates for all employees subject to this Appendix.

5. Exit Interview

Employees who have completed at least three years of continuous service of six pay periods on a

scheduled half-time or greater basis in each of those three years shall be entitled to an exit interview session with the appointing authority or designee following notice of involuntary separation. In such instances, the local union representative shall be notified of the involuntary separation, and a union representative may accompany the employee to the exit interview session if the employee so chooses. The employee may present reasons, arguments and/or documentary evidence including any relevant witness statements the employee may have as to why the employee should not be involuntarily separated. The appointing authority, upon request, may allow the presentation of other information at this exit interview session if it deems such information to be beneficial to evaluating the employee's reasons, arguments and/or documentary evidence as to why the employee should not be involuntarily separated. Employees have no other due process rights upon separation other than those described in this paragraph.

6. Scheduling Job or Shift Assignments

Effective April 1, 2013, management shall have the right to make any job or shift assignment necessary to maintain services of the agency and to maintain staff at appropriate operating levels.

Specifically,
