GMP Ambassadors Application

Students entering GMP IV through VI next year are invited to apply for a position as a GMP Ambassador. GMP Ambassadors are GMP students who represent us to younger students, schools, families and alumni.

Responsibilities include:

- Attending at least one ambassador meeting to be held on Wednesday, August 25, 2021 (evening) and Friday, January 7, 2022 (after school). We want to pick your brain for ways to improve GMP.
- Tutoring at two (or more) Friday sessions.
- Helping at two (or more) GMP events. This would give parents and newer students a chance to talk with you about your experiences. Events include New Student Orientation in September, Parent Information meetings in February and March, and Pi Day in March.

Benefits include:

- A great learning and leadership experience for you
- GMP t-shirt and swag

Interested students should complete the application and mail, email or fax to the office by June 3rd. We will choose 6 ambassadors from the applicant pool.

GMP Ambassadors Application

If you prefer, you can put answers on a separate sheet.

Name: _____

School: _____

GMP Class next school year: _____

What would you tell a student or parent who is thinking about applying to GMP? How has GMP benefited you?

Explain an idea of yours for improving the program.

I, _____, promise, if chosen to be a GMP ambassador, to fulfill all the requirements of the program and work to the best of my ability in my duties.

Please submit this application to the gmp office by June 3rd by e-mail, Fax, or Mail. We will be taking into account previous gmp grades and will ask your previous gmp teachers for a personal assessment.
